Graduate Program Student Learning Outcomes

Below are the five Student Learning Outcomes developed for this program by the USC Leventhal faculty and administration and filed with the AACSB, the accrediting body for accounting and business schools. This course will deal primarily with Outcomes #1 and #2. To a lesser extent, this course will help you meet Learning Outcomes #3, #4 and #5.

1. **Technical, Conceptual, Problem-Solving**
   Students will be competent in and be able to apply discipline-specific knowledge and skills in the fields of accounting or taxation. This learning outcome includes the development of critical thinking and problem-solving skills, as well as an understanding of the strategic role of accounting and taxation in business organizations and society.
   - **MBT specific**—Apply critical thinking and problem-solving skills related to taxation of individuals, flow-through entities, and corporations. Recognize potential opportunities for tax savings and tax planning.

2. **Professional Development**
   Students will be able to communicate clearly and strategically, after considering the relevant audience, situation, and purpose of the communication. Students will demonstrate the ability to work productively with others to accomplish established goals.
   - **MBT specific**—Convert complex and technical tax terminology into language that translates to non-technical audiences. Demonstrate strong interpersonal communication skills that build relationships with clients over time. Document exchanges with careful attention to word choice, tone, and accuracy.

3. **Research/Life-Long Learning**
   Students will be able to use relevant research databases and academic/professional literature to gain new knowledge and analyze business situations.
   - **MBT specific**—Use computer-based and paper-based systems to thoroughly research tax codes, tax law, rulings and interpretations. Use knowledge to be able to adjust to changes in tax law over time.

4. **Ethical Principles and Professional Standards**
   Students will be able to apply ethical principles and professional standards in analyzing situations and making informed decisions.
   - **MBT specific**—Demonstrate understanding of and apply consistently the ethical principles and professional standards related to the profession. Show the ability to express and follow rules of independence and the highest sense of professional ethics.
5. Globalization and Diversity
Students will be able to demonstrate an international perspective and appreciation for diversity and cultural differences, along with their significance in global business.

- MBT specific—Explain key differences in taxing policies related to expatriates and the countries they live and work in. Reflect on cultural and ethnic differences in approaches to business and taxation policies.

GRADERS:
- Quizzes/Assigned problems/Written Assignments 20%
- Exams 70%
- Participation; (MarshallTALK); 10%

Total 100%

-Course is taught with the recognition that a tax season does exist which affects a tax practitioner's work load
-No mid-term is planned - only a final
-Actual documents - Will, Living Trust, Insurance Trust - will be used in class for discussion
-Class will consist of lectures and class discussion on the text and the assigned documents

GRADING POLICY

We adhere to the USC Leventhal School of Accounting and Marshall School of Business grading standards for graduate programs. In general, final course grades at the graduate level in a core course average approximately B+ (3.3), but may vary based on class performance. For elective courses, the class average is usually higher—approximating 3.5, which is between a B+ and an A-. You must receive a C or better to pass a required class, and you must have an overall B average (3.0 minimum) in order to graduate from USC. The graded elements of this course are listed in this syllabus along with information about how they will be evaluated.

1. Participation in the MarshallTALK live video discussion forum is expected, and students should be present and prepared to engage with the class at the date and time indicated each week in order to earn participation credit for this activity.

2. Exams/quizzes are to be determined. Make up exams/quizzes will be given only if a student has received pre-approval from the instructor or has a doctor’s excuse.

RETENTION OF GRADED PAPERS:

Final exams and other graded work that affected the course grade will be kept for one year. Other papers or work that are handed back but that students fail to pick up will be held for one month. Discussion forums and other online work will be deleted at the end of the course.

ACADEMIC CONDUCT

Students enrolled in any class offered by the Leventhal School of Accounting are expected to uphold and adhere to the standards of academic integrity established by the Leventhal School of Accounting Student Honor Code. Students are responsible for obtaining, reading, and understanding the Honor Code System handbook. Students who are found to have violated the Code will be subject to disciplinary action as described in the handbook. For more specific information, please refer to the Student Honor Code System handbook, available in class or from the receptionist in ACC 101.
Plagiarism – presenting someone else’s ideas as your own, either verbatim or recast in your own words – is a serious academic offense with serious consequences. Please familiarize yourself with the discussion of plagiarism in SCampus in Section 11 Behavior Violating University Standards https://scampus.usc.edu/1100-behavior-violating-university-standards-and-appropriate-sanctions/. Other forms of academic dishonesty are equally unacceptable. See additional information in SCampus and university policies on scientific misconduct, http://policy.usc.edu/scientific-misconduct/.

SUPPORT SYSTEMS
The Office of Disability Services and Programs
http://sait.usc.edu/academicsupport/centerprograms/dsp/home_index.html provides certification for students with disabilities and helps arrange the relevant accommodations.

If an officially declared emergency makes travel to campus infeasible, USC Emergency Information http://emergency.usc.edu/ will provide safety and other updates, including ways in which instruction will be continued by means of blackboard, teleconferencing, and other technology.

Discrimination, sexual assault, and harassment are not tolerated by the university. You are encouraged to report any incidents to the Office of Equity and Diversity http://equity.usc.edu/ or to the Department of Public Safety, http://capsnet.usc.edu/department/department-public-safety/online-forms/contact-us.

This is important for the safety of the whole USC community. Another member of the university community – such as a friend, classmate, advisor, or faculty member – can help initiate the report or can initiate the report on behalf of another person. The Center for Women and Men http://www.usc.edu/student-affairs/cwm/ provides 24/7 confidential support, and the sexual assault resource center webpage https://sarc.usc.edu/reporting-options/ describes reporting options and other resources.

STUDENTS WITH DISABILITIES:

Any student requesting academic accommodations based on a disability is required to register with Disability Services and Programs (DSP) each semester. A letter of verification for approved accommodation can be obtained from DSP. Please be sure the letter is delivered to me as early in the semester as possible. DSP is located in STU 301 and is open 8:30 a.m. – 5:00 p.m., Monday through Friday. The phone number for DSP is (213) 740-0776. For more information, go to:
http://sait.usc.edu/academicsupport/centerprograms/dsp/home_index.html.

NO RECORDING AND COPYRIGHT NOTICE:

No student may record any lecture, class discussion or meeting with me without my prior express written permission. The word “record” or the act of recording includes, but is not limited to, any and all means by which sound or visual images can be stored, duplicated or retransmitted whether by an electro-mechanical, analog, digital, wire, electronic or other device or any other means of signal encoding. I reserve all rights, including copyright, to my lectures, course syllabi and related materials, including summaries, PowerPoints, prior exams, answer keys, and all supplementary course materials available to the students enrolled in my class whether posted on Blackboard or otherwise. They may not be reproduced, distributed, copied, or disseminated in any media or in any form, including but not limited to all course note-sharing websites. Exceptions are made for students who have made prior arrangements with DSP and me.
