CTCS 495: THE SCIENCE OF THE CINEMA

LOCATION: SCS 107

PROFESSOR
Luci Marzola

TIME: MONDAY 1:00-4:50 PM

LOCATION: SCS 107

In this honors seminar we will explore the history of technology and consider cinema’s place within it. While gaining a fundamental understanding of the era of technological modernity into which cinema emerged, we will go beyond the moment of inception and explore the ongoing relationship between cinema and technology, from sound to 3D and beyond.
