SYLLABUS: MuIN 499, The Recording Console

Instructor:
Richard McIlvery: (213) 740-3224
E-mail: mcilvery@usc.edu
Office TMC 129
Mailbox: TMC 118
Office Hours: Mondays and Wednesdays 2:35-4:00pm in MUS 103 or by email appointment in TMC 129.
Mailbox: TMC 118
Department Phone: (213) 740-3224

Introduction to recording consoles used in music designed for records and film music synchronized to picture and music scoring procedures.

Significant objectives include:

- an understanding of important approaches to recording various types of music for film and records.
- an understanding of the history and development of consoles.
- understanding equipment requirements needed for different applications and situations.
- an appreciation of digital audio workstations control surfaces compared to analog consoles.

Significant Outcomes include, but not limited to:

- Routing requirements
- Gain structure
- Workflow situations
  - Records
  - Film scoring
- Speaker configurations and uses
- Stem mixing
  - Records
  - Scoring

Requirements, Exams and Grading Information:

There will be one mid term, a final, and one course performance exam. The tests will contain mostly short answer or multiple choice. A study guide may be available the class meeting prior to each test. Tests must be taken during the scheduled times and cannot be made up at a later date.

Class Participation 10%

Participation in all class sessions will be monitored and will count towards your final grade. Because of the specialized nature of this subject, attendance and participation are critical for understanding the material and concepts covered in this class.
SYLLABUS: MuIN 499, The Recording Console

A number of guest speakers may come to class with information specific to the Final Project. Missing classes can prevent you from completing the project in an accurate and successful fashion. Be advised!

There will be a minimum of one field to a recording studio and possibly one trip to a scoring facilities. These will be in addition to the regularly scheduled class meetings and attendance is mandatory and these will be counted as class meetings. Hopefully ample time of date and times will be given so arrangements can be made with other classes, internships, etc. Attendance in all class sessions will be monitored. Missing more than two classes can lower grades proportionately. Missing more than three classes qualifies for being dropped from the course or you will receive a grade of FAIL and you must contact me before continuing.

If you cannot attend a class, it is your responsibility to get notes from BlackBoard or a classmate. If an extenuating circumstance arises that forces you to miss more than the allowed classes, contact the instructor immediately.

GRADING SUMMARY:

1. Midterm 25%
2. Course Hands-On Exercise 30%
3. Final Exam 35%
4. Participation 10%

SYLLABUS: MuIN 499, The Recording Console

Other Important Information:

Final Exam Schedule:
Flights home and vacation plans are not considered valid reasons for re-scheduling a final early - so, take care when making your plans.

Academic Integrity
Academic Integrity-Students are expected to adhere to the Academic Integrity Guidelines of USC as outlined in the current edition of SCampus. To ensure compliance, all papers and other work submitted for grading will be compared to an extensive database of past papers. Work found to contain plagiarized or uncited passages will be referred to the USC Office of Student Conduct for review. Academic Integrity violations will result in a failing grade for submitted material and for the course, and dismissal from the Music Industry Program for majors and minors.

Pop Quizzes:
Occasional quizzes will be given without warning to insure that the class is keeping up with assigned reading and lectures.

Classroom Behavior:
There will be no sleeping, eating or drinking in class. No cell phones or computers on in class. During demonstrations and guest lecturers there will be no talking outside of the context of classroom activities. If you feel the need to talk, please step outside until you are finished. If you are asked to leave class for any reason, you must make an appointment with Erin Geisenhagen to see me and discuss the matter before you will be readmitted to class. If you are asked to leave a second time, you will not be allowed to return.

Office Hours: Mondays 2:35-4:00 pm, Wednesdays 2:35-4:00pm by email appointment in MUS 103

Disabilities:

Any student requesting academic accommodations based on a disability is required to register with Disability Services and Programs (DSP) each semester. A letter of verification for approved accommodations can be obtained from DSP. Please be sure the letter is delivered to me as early in the semester as possible. DSP is located in STU 301 and is open 8:30 a.m.-5:00 p.m. Monday through Friday. The phone number for DSP is 213/740-0776.
