

Are new technologies changing the way students learn? Will digital media reinforce existing divides of gender, race, and class?

CTCS 478

Culture, Technology, and Communications

Tara McPherson

Tuesday 10:00-1:50

SCA 110

This class will explore recent research in digital media and learning , but will also include an active lab component through which USC students will work with student in LA public schools on a variety of digital media projects, designing curricular modules, and assisting classrooms. The class is open to undergraduate and graduate students from across USC.
