**Note:** Written assignments will be evaluated on the quality of the ideas presented and the ability to use and cite pertinent literature correctly (use APA publication manual, 6th ed.). Written assignments should
be clear and concise, well organized, and reflect an integrated understanding of the reading assignments, lectures, outside sources of literature and relevant experiences and information. Students should consult publications of current research and theory to support ideas.

Each of the major assignments is described below.

**Assignment 1: Best Reflected Self (15%)**

Upon completing the in-class self-assessments and the 360 feedback process, students will write a description of yourself that summarizes and distills the accumulated information. The description should weave themes from the feedback together with your self-observations into a composite of who you are at your best. It should be an insight/image that you can use as a reminder of your previous contributions and as a guide for future action. The portrait itself should not be a set of bullet points but rather more like a prose composition beginning with the phrase, “When I am at my best, I …”.

**Due:** (Week 4)

**Assignment 2: Midterm (30%)**

Using your placement setting, select a project and analyze how you would approach it as a consultant. Use Peter Block’s Flawless Consulting process to examine the project stages. Describe the particular consulting role that would best fit this project. Discuss who your client(s) is. Compare what the client’s wants and needs are to what yours are as a consultant. Draft a proposed contract that includes a methodology.

**Due:** Week 8

*This assignment relates to student learning outcome 1 and 3.*

**Assignment 3: Final Project & Presentation (45%)**

Class project and presentation, may be as a group, presenting a business concept / plan for a consultation or coaching practice that is of interest; or research and present a social enterprise model detailing its successes and challenges in developing an enterprise venture. A three to five page executive summary will accompany the presentation providing a written narrative of the presentation, which should serve as the beginning development of a business plan. Hard or electronic copies of presentation and the executive summary to be submitted.

**Due:** Weeks 13 - 15

*This assignment relates to student learning outcome 3 and 4.*

**Class Participation (10% of Course Grade)**

Completion of a variety of in-class assessments and exercises culminating in an analysis of strengths, expertise, values and passion that leads toward a description of “Best Reflected Self” and a vision of future position.

Students are expected to contribute to the development of a positive learning environment and to demonstrate their learning through written and oral assignments and through active, oral class participation. Class participation should consist of active, meaningful, thoughtful, and respectful participation based on having completed required and independent readings and assignments prior to class. When in class, students should demonstrate their understanding of the material and be prepared to offer comments or reflections about the material, or alternatively, to have a set of thoughtful questions about the material. Students are expected to participate and complete in-class exercises. These
exercises are used to stimulate discussion, encourage critical thinking, reinforce social work values and concretize concepts.

Students are further expected to complete assignments on or before the due date and notify the instructor if they are having difficulty comprehending the course material or keeping up with the assignments. Failure to meet these expectations will result in the reduction of grades. Class participation and completion of related mini-exercises used to stimulate discussion, encourage critical thinking, and reinforce social work values and concretize concepts.

Class grades will be based on the following:

OR

Class is graded Credit/No Credit (CR/NC): Students must earn at least 73 out of a possible 100 points in the course in order to receive a CR.

USC School of Social Work Grading Standards

Within the School of Social Work, grades are determined in each class based on the following standards which have been established by the faculty of the School:

1) Grades of A or A- are reserved for student work which not only demonstrates very good mastery of content but which also shows that the student has undertaken a complex task, has applied critical thinking skills to the assignment, and/or has demonstrated creativity in her or his approach to the assignment. The difference between these two grades would be determined by the degree to which these skills have demonstrated by the student.

2) A grade of B+ will be given to work which is judged to be very good. This grade denotes that a student has demonstrated a more-than-competent understanding of the material being tested in the assignment.

3) A grade of B will be given to student work which meets the basic requirements of the assignment. It denotes that the student has done adequate work on the assignment and meets basic course expectations.

4) A grade of B- will denote that a student's performance was less than adequate on an assignment, reflecting only moderate grasp of content and/or expectations.

5) A grade of C would reflect a minimal grasp of the assignments, poor organization of ideas and/or several significant areas requiring improvement.

6) Grades between C- to F will be applied to denote a failure to meet minimum standards, reflecting serious deficiencies in all aspects of a student's performance on the assignment.

STUDY DAYS / NO CLASSES

FINAL EXAMINATIONS
University Policies and Guidelines

IX. Attendance Policy

Students are expected to attend every class and to remain in class for the duration of the unit. Failure to attend class or arriving late may impact your ability to achieve course objectives which could affect your course grade. Students are expected to notify the instructor by email (maconoli@usc.edu) of any anticipated absence or reason for tardiness.

University of Southern California policy permits students to be excused from class for the observance of religious holy days. This policy also covers scheduled final examinations which conflict with students' observance of a holy day. Students must make arrangements in advance to complete class work which will be missed, or to reschedule an examination, due to holy days observance.

Please refer to Scampus and to the USC School of Social Work Student Handbook for additional information on attendance policies.

X. Statement on Academic Integrity

USC seeks to maintain an optimal learning environment. General principles of academic honesty include the concept of respect for the intellectual property of others, the expectation that individual work will be submitted unless otherwise allowed by an instructor, and the obligations both to protect one’s own academic work from misuse by others as well as to avoid using another’s work as one’s own. All students are expected to understand and abide by these principles. SCampus, the Student Guidebook, contains the Student Conduct Code in Section 11.00, while the recommended sanctions are located in Appendix A: http://www.usc.edu/dept/publications/SCAMPUS/gov/. Students will be referred to the Office of Student Judicial Affairs and Community Standards for further review, should there be any suspicion of academic dishonesty. The Review process can be found at: http://www.usc.edu/student-affairs/SJACS/.

Additionally, it should be noted that violations of academic integrity are not only violations of USC principles and policies, but also violations of the values of the social work profession.

XI. Statement for Students with Disabilities

Any student requesting academic accommodations based on a disability is required to register with Disability Services and Programs (DSP) each semester. A letter of verification for approved accommodations can be obtained from DSP. Please be sure the letter is delivered to the instructor as early in the semester as possible. DSP is located in STU 301 and is open from 8:30 a.m. to 5:00 p.m., Monday through Friday.

Students from all academic centers (including the Virtual Academic Center) may contact Ed Roth, Director of the DSP office at 213-740-0776 or ability@usc.edu.

**XIII. STATEMENT ABOUT INCOMPLETES**

The Grade of Incomplete (IN) can be assigned only if there is work not completed because of a documented illness or some other emergency occurring after the 12th week of the semester. Students must NOT assume that the instructor will agree to the grade of IN. Removal of the grade of IN must be instituted by the student and agreed to be the instructor and reported on the official “Incomplete Completion Form.”

**XIV. POLICY ON LATE OR MAKE-UP WORK**

Papers are due on the day and time specified. Extensions will be granted only for extenuating circumstances. If the paper is late without permission, the grade will be affected.

**XV. POLICY ON CHANGES TO THE SYLLABUS AND/OR COURSE REQUIREMENTS**

It may be necessary to make some adjustments in the syllabus during the semester in order to respond to unforeseen or extenuating circumstances. Adjustments that are made will be communicated to students both verbally and in writing.

**XVI. CODE OF ETHICS OF THE NATIONAL ASSOCIATION OF SOCIAL WORKERS**

Approved by the 1996 NASW Delegate Assembly and revised by the 2008 NASW Delegate Assembly [http://www.socialworkers.org/pubs/Code/code.asp]

Preamble

The primary mission of the social work profession is to enhance human wellbeing and help meet the basic human needs of all people, with particular attention to the needs and empowerment of people who are vulnerable, oppressed, and living in poverty. A historic and defining feature of social work is the profession’s focus on individual wellbeing in a social context and the wellbeing of society. Fundamental to
social work is attention to the environmental forces that create, contribute to, and address problems in living.

Social workers promote social justice and social change with and on behalf of clients. “Clients” is used inclusively to refer to individuals, families, groups, organizations, and communities. Social workers are sensitive to cultural and ethnic diversity and strive to end discrimination, oppression, poverty, and other forms of social injustice. These activities may be in the form of direct practice, community organizing, supervision, consultation administration, advocacy, social and political action, policy development and implementation, education, and research and evaluation. Social workers seek to enhance the capacity of people to address their own needs. Social workers also seek to promote the responsiveness of organizations, communities, and other social institutions to individuals’ needs and social problems.

The mission of the social work profession is rooted in a set of core values. These core values, embraced by social workers throughout the profession’s history, are the foundation of social work’s unique purpose and perspective:

- Service
- Social justice
- Dignity and worth of the person
- Importance of human relationships
- Integrity
- Competence

This constellation of core values reflects what is unique to the social work profession. Core values, and the principles that flow from them, must be balanced within the context and complexity of the human experience.
