Course Description

This is an introductory course teaching the fundamental skills of tennis. Focus includes: basic strokes; strategy; rules; scoring; etiquette; practice drills; singles and doubles play. The more experienced students will receive instruction on use of spin; court positioning; footwork; and advanced strategies.

Course Objectives

1. To present to the student the fundamental skills and knowledge of tennis.
2. To improve each student's skill in hitting all of the basic strokes: forehand; backhand; serve; volley; lob; and overhead.
3. To introduce or reacquaint each student to the basic rules, scoring, and etiquette of tennis.
4. To offer each student an opportunity to apply their skill and knowledge in actual match play.
5. To make each student aware of the basic differences in strategy for singles and doubles and provide an opportunity to apply this information in actual match play.
6. To provide each student with information about current tennis trends, specifically in regard to local tennis programs, professional tournaments and equipment selection.
7. To encourage each student to pursue tennis as a life-time leisure activity.

Physical Education Program Objectives

Students will be exposed to a variety of activities providing them the opportunity to:

Apply learned fundamental skills.

Empower themselves by setting and working toward realistic individual goals.
