

FBE-571 information for USC Students - Fall 2017

The Finance and Business Economics Department offers three cross-disciplinary courses which incorporate the CFA Institute Chartered Financial Analyst (CFA®) body of knowledge into the course curriculum:

FBE-571 (Level I, Fall & Spring), **FBE-572** (Level II, Spring only), and **FBE-573** (Level III, Spring only).

However, you do NOT have to sit for the CFA Institute exam to take and receive credit for these courses. They are very comprehensive **team-taught survey courses** that would be of benefit to any MBA student. *Topics include: economics, quantitative methods, financial statement analysis (accounting), corporate finance, markets and tools, equity valuation and analysis, fixed income analysis, derivatives, capital market theory, portfolio management, alternative investments, and ethics.*

****** You are NOT required to register through USC to take these review classes. ******

If you don't want or need USC credit (*or if you know someone who is not a USC student*), you can register for any of these three courses on a NON-CREDIT basis through our partner and co-sponsor, CFALA.

Registering for any of these courses does NOT register you to sit for the CFA Institute CFA® examination! Registration for the CFA Institute exam is done on their website at: <http://www.cfainstitute.org>

There are scholarships available to pay most of the CFA Institute examination fee (Access Scholarship or Program Partner Student scholarship) and the USC/CFALA review course non-credit registration fee (Access Scholarship ONLY). **Basic scholarship information is listed on page 5.** **The Student scholarship application form is at:** https://www.cfainstitute.org/Forms/dec_june_student_scholarship.pdf

FBE-571: For the Fall semester, FBE-571 will be offered on Saturdays only.

The class number to enroll for USC credit is **#15466**. *To avoid as many home football games as possible, the Saturday Level I class will NOT meet every week.* Consequently, the class is scheduled to begin prior to the regular start of the semester and two lectures (9am-12pm & 1pm-4pm) will be taught on most Saturdays when class is scheduled to meet. ***The course is scheduled to begin the LAST WEEKEND IN JULY, approx. 4 weeks before the start of the normal semester!*** **First Lecture: Sat. July 29, 2017.**

FBE-572 and **FBE-573** are only offered during the Spring semester.

In general, lectures meet for 3 hours, though certain lectures may be extended to 4 hours when the topic requires additional time. All lectures are recorded, with streaming media replays available 24/7 via the internet.

FBE-571 Lectures BEGIN BEFORE the start of the regular semester and END BEFORE the end of the regular semester. Taking one of these classes for credit during your last semester before graduation MAY DELAY YOUR GRADUATION if you don't pass the USC final exam. ***All dates are subject to change!!!*** The lecture schedule is available at: <https://www.cfalacfareview.org/i4a/pages/index.cfm?pageid=3663> click on the word **SCHEDULE**.

REGISTRATION OPTIONS:

- 1) USC:** register for **FBE-571**. This course is a 3-unit MBA & MS Finance elective class.
 - 2) CFALA:** ***NO USC credit!!***

Register through USC or CFALA - - NOT both!!

USC CREDIT REGISTRATION

You need a “D-clearance” to register for FBE-571, 572, or 573. You can obtain the Spring 2017 D-Clearance and Prerequisite Waiver form from the FBE Office, HOH-231, 213-740-6515, by email from tlichvar@usc.edu, or from the Schedule of Classes, where it will be posted with a copy of this FAQ & scholarship info in lieu of a syllabus.

Please fill it out CLEARLY (*I can't help you if I can't read it!*), SIGN IT, and fax it back (213-740-6650), or email a scanned copy to tlichvar@usc.edu, or drop it off at HOH-231. No cover page is needed for a fax.

Your request will be evaluated and your enrollment will be approved or denied. When approved, your name, student ID number, and email address will be forwarded to the Marshall Registrar. After your D-clearance (*and pre-req waiver if needed*) has been entered into the USC registration computer system, the Marshall registrar's office will email your notification that you have permission to register for the appropriate course. *MBA & MSFin students with a GPA of 3.0 or better will be approved immediately. GPA's below 3.0 will require “GPA counseling” prior to approval. Students in other degree programs will be contacted by phone prior to approval, and will also need to complete a Marshall Non-Business Student Application Form, available from <http://info.marshall.usc.edu/dept/gradreg/nonbusiness/Pages/Non-Business%20Graduate.aspx>.*

IT'S YOUR RESPONSIBILITY TO FOLLOW THROUGH and REGISTER YOURSELF FOR THE CLASS.

Some items to note:

1) REGISTRATION: Submitting the "D-Clearance" form *DOES NOT* register you in the course, nor does it obligate you to register for the course. *It only grants you permission to register. Once granted permission, YOU MUST REGISTER YOURSELF via USC's regular on-line web registration process if you want to be in the class.* Webreg URL: <https://www.usc.edu/webregistration>

If your GPA is below 3.0, you may still register for this course provided you are registered for the CFA Level I examination. However, passing this class will NOT improve your GPA, so you may want to reconsider your decision to register for this course.

These classes do not close, so there is NO NEED to BID on them!!

If you are a **NON-BUSINESS grad student**, you also need to obtain a **Non-Business Student Permission to Register form** from the Marshall website (below). Fill it out & email it (registration@marshall.usc.edu) to the Marshall registrar, who will register you in the class when your D-clearance is granted. <http://info.marshall.usc.edu/dept/gradreg/nonbusiness/Pages/Non-Business%20Graduate.aspx>.

2) UNDERGRADUATE REGISTRATION: Unfortunately, undergraduate students are no longer permitted to register for MBA courses, even as an Auditor! *To attend this course, undergraduate students must register through CFALA on a NON-CREDIT basis. (See CFALA registration information on page 4.)*

3) COST: This is a standard 3 unit elective course. The cost to you is 3 units of tuition. **Late registrations are subject to USC late fees. ALL LATE FEES ARE THE RESPONSIBILITY OF THE STUDENT!**

4) CFA Institute EXAM: *Registering for FBE-571 does NOT register you for the CFA exam!!!!* Institute exam registration is SEPARATE. Go to: <http://www.cfainstitute.org/cfaprogram>

5) COURSE ADMINISTRATION: Course administration (*lecture schedules, class handouts, links to streaming media recordings, and all class change notifications*) are managed through the **USC/CFALA CFA Review Program website** - - NOT BLACKBOARD. <http://www.cfalacfareview.org>

6) CFALA LOGIN: After you register via webreg, your contact information will be provided to CFALA as a “USC registrant”. CFALA will email you CFA® Review Program login credentials for their website. **You will use the CFALA login to access the USC/CFALA CFA® Review Program website for materials.**

7) LECTURE SCHEDULES: Detailed lecture schedules are available from the CFALA website. Click on the **Class Schedules** link at: <http://www.cfalacfareview.org>

*The schedules are **SUBJECT TO CHANGE** (including lecture locations!!);
CHECK IT EACH WEEK before you come to class!*

8) COURSE HANDOUTS: All lecture handouts are available from the CFALA website. WE DO NOT PROVIDE COPIES OF THE HANDOUTS. You must download and bring your own handouts to lectures!!

9) STREAMING MEDIA: The FBE-571 lectures are pre-recorded. These recordings will be available 24/7 via the internet. If you can't attend lectures in person you can still watch them on-line and ask questions of the instructor via email. *Access to streaming media lectures is via the CFALA website.*

10) GRADING: This course is **graded CREDIT/NO CREDIT** only. *(Yes, ONE course counts as 3 elective units toward your Core or PM MBA, or the MS Finance degree.)** These units are **NOT pre-approved** for credit toward any other USC grad or undergrad degree! *If you are not a Core, PM, or MS Finance student, check with your academic unit BEFORE YOU REGISTER to determine credit options!!*

11) GETTING CREDIT: There are no graded homework or midterms, nor is there any participation or attendance requirement. **To receive a grade of CREDIT in these courses, you must (A) take the USC final exam, AND (B) pass one of two exams: (1) the USC final exam or (2) the CFA® Institute exam** given at the end of the semester in which you are registered for the class.

12) * ELECTIVE CREDIT: **You can only count ONE of the three classes (FBE-571, 572, or 573) as an elective toward your Core, or PM MBA, or MS Finance degree.** You can still register for the other courses through USC, but they will NOT count toward your degree. *(i.e.: if you have a scholarship or if your company will pay if you register through USC but not if you register through CFALA.)*

13) GRADUATION DELAY? Taking one of these classes for credit during your last semester before graduation MAY DELAY YOUR GRADUATION *if* you don't pass the USC final exam. If you plan to graduate in Dec. 2017: if you **pass the USC final exam = NO delay**; if you **fail the USC final exam = GRADUATION DELAY**; if you **don't take the USC final = fail the final = GRADUATION DELAY**.

14) FINAL EXAM: **FINAL EXAM: Sat. Dec. 9, 2017 from 2:00pm - 4:00pm in the regular classroom.** There will be a regular 2-hour final exam administered on during the USC finals period. **THIS EXAM DETERMINES WHETHER OR NOT YOU RECEIVE CREDIT FOR THE COURSE!!** Attending the final exam is MANDATORY. Not taking the final will result in a grade of NO CREDIT for the course even if you subsequently take and pass the CFA® Institute examination. The final exam is NOT the “practice exam” ‡ listed on the lecture schedule. Confirmation of the day, time, an location of the final exam will be emailed to all students approx. one month before the final exam is given.

15) ‡ PRACTICE EXAM: **A value-added feature of the review program.** At the end of the course, a full-length (6 hour) practice exam is given. This practice exam is OPTIONAL and has NO BEARING on course grading. *However, it does a good job of assisting candidates with preparing for the CFA Institute exam!*

16) SYLLABUS: There is **no syllabus** for the course. The lecture schedule is available on-line, and it specifies the reading required for each lecture (a “study session” as listed in the Curriculum).

- 17) TEXT:** The text is the CFA Institute **Curriculum** that you receive when you register for the CFA exam. *IF you are NOT planning to register for the CFA Institute exam contact **Terry Lichvar** (213.740.6522, HOH-231, or tlichvar@usc.edu) to obtain the CFA Institute Curriculum Order Form. The eBook or print edition can be purchased for \$150 each (+ tax). Alternatively, you can purchase a used Level 1 Curriculum via the internet. Make sure it is the Level 1 material from **Spring 2017 ONLY**. **One set of Curriculum materials will be placed on 2-hour reserve in Gaughan and Tiberti Library, JFF-101. It must be used within the library.***
- 18) SCHWESER: A value-added feature of this review program.** If you register for FBE-571 and do not drop the course before the end of the drop and add period, you will receive access to the on-line 2017 Level I Schweser self-study notes and Q-Bank testing at no additional charge. *DO NOT buy these from Schweser as there will be no tuition discount and Schweser has a VERY strict refund policy. Due to the on-line nature of these materials, Schweser access cannot be granted until the Monday after the end of USC's drop and add period, Sept. 11, 2017. (Drop and add ends Sept. 8!) Sorry for the access delay.*
- 19) VALUE-ADDED PROGRAM OFFERINGS:** USC registered students are eligible to participate in all of the value-added features of the review program, including the Candidate Connection, full length practice exam, Schweser materials, CFA Lab tutoring, Mentor Match, and Accounting Essentials classes. See the CFALA website for information about these value-added features: <http://www.cfalacfareview.org>
