

Advanced Writing in the Health Sciences

Description:

Our assignments in this class will focus on writing for professional audiences in the Health Sciences. Note that WRIT 340 begins with the assumption that you have already acquired fundamental competencies in college-level essay writing.

Texts

- *The Social Medicine Reader, Vol. 1: Patients, Doctors, and Illness (second edition)*. Ed. King, Strauss et al. Duke University Press: 2005. New and used copies available on Amazon at good prices.
- Multiple readings within the Health Sciences to be distributed in class and/or located by you.
