Course Description
This is an introduction to managerial accounting course for undergraduate students whose majors require: understanding the impacts management choices have on organizations; knowledge of basic management accounting tools, techniques and best practices; and the ability to leverage the variety of information the accounting discipline provides managers and organizational decision makers. The primary focus of the course is the development, presentation and understanding of accounting information useful to a variety of stakeholders when analyzing results and supporting decisions related to: business operations, product costing and overhead application, sales volume and organizational profits, budgeting and planning, organizational / management performance, and transfer pricing.

Learning Objectives
Upon completion of this course, you should be able to:

- Demonstrate an understanding of the key principles and assumptions used by accountants when providing information to management and other stakeholders by answering questions and solving problems. (Marshall Learning Goal 1a, 1b)

- Analyze the manufacturing cost flows of an organization and their impact on profitability by producing a schedule of cost of goods manufactured and sold. (Marshall Learning Goal 3a, 3c)

- Analyze the cost, volume and profit relationships of an organization by calculating the contribution margin, breakeven point and target profits given a variety of business scenarios. (Marshall Learning Goal 3a, 3b, 3c, 3d)

- Distinguish between traditional job costing and activity-based costing methodologies and their impact on organizational stakeholders by applying both techniques to business situations and evaluating the results. (Marshall Learning Goal 3a, 3c, 1c)

- Analyze and identify cost information that is relevant for decision makers by recognizing and applying the relevant elements in a variety of decision making scenarios likely to face professional managers. (Marshall Learning Goal 3a, 3b, 3c)

- Analyze and demonstrate how strategic planning and budgeting processes enhance an organization’s ability to respond to economic changes by preparing elements of the master budget and a flexible budget. (Marshall Learning Goal 1a, 2a, 2b, 2c, 3a, 3b, 3c, 3d)

- Describe and demonstrate appropriate control and performance evaluation metrics in a multi-product, hierarchical organization by analyzing overall and segment performance using rate-of-return, residual income, and non-financial measures. (Marshall Learning Goal 2b, 2c, 3a, 3b, 3c)
• Evaluate the general financial prospects of an organization and the impact of management decisions on operational results by analyzing a variety of operational information and developing a spreadsheet model to project a potential anticipated future performance of a large public company.  

(Marshall Learning Goal 3a, 3b, 3c, 3d, 6a, 6c, 6d,6e, 1c)

To achieve these learning objectives, a combination of background reading, interactive discussion / lecture and practice problems will be utilized.  Please note, the most important word in the sentence above is “interactive.” The reason is that research on learning indicates it is very difficult to gain anything more than a superficial understanding of material without practice and feedback. Therefore, you should expect our class sessions to incorporate a substantial amount of both.

To demonstrate you achievement of the learning objectives stated above: 1) you will be required to demonstrate your knowledge by individually working problems during quizzes and exams; and 2) you may be asked to complete in class group assignments on an ad hoc basis at the professor's discretion.

Required Materials
The following book is available in the bookstore:

  New York: McGraw-Hill Higher Education (978-1-30-894660-3 in the bookstore; or 978-0-07-802563-1 online, either will work)

Feel free to purchase the books online as this can result in substantial cost savings. However, if you choose to purchase the books online, please be aware that you are responsible for making alternative arrangements for completing all readings and advance preparation until the books arrive.

Prerequisites and Recommended Preparation
Although there are no formal prerequisites for this course, regularly reading a general business periodical or newspaper’s financial section will aid in your business education. The Wall Street Journal can be purchased at a discounted student rate at www.wsjstudent.com.

In addition, you will find it helpful to bring a calculator to class to work discussion problems and in class assignments. For exams, only school provided calculators will be allowed.

Course Notes
Distributed materials and other class information will be available through your Blackboard account. Although not a required / formal part of the class, additional materials can be found on the Wiley Plus website if you purchased the course pack through the bookstore.

Grading Policies
Your grade in this class will be determined by your relative performance on exams, quizzes (dropping the lowest one), in-class exercises, and a team project. The total class score will be weighted as follows:

<table>
<thead>
<tr>
<th></th>
<th>Points</th>
<th>Weight</th>
</tr>
</thead>
<tbody>
<tr>
<td>Exam I</td>
<td>100</td>
<td>20%</td>
</tr>
<tr>
<td>Exam II</td>
<td>100</td>
<td>25%</td>
</tr>
<tr>
<td>Final Exam</td>
<td>100</td>
<td>35%</td>
</tr>
<tr>
<td>Quizzes</td>
<td>40</td>
<td>5%</td>
</tr>
<tr>
<td>Homework</td>
<td>TBD</td>
<td>5%</td>
</tr>
<tr>
<td>In-class exercises</td>
<td>TBD</td>
<td>5%</td>
</tr>
<tr>
<td>Team project</td>
<td>50</td>
<td>5%</td>
</tr>
</tbody>
</table>

After each student’s weighted total points are determined for the semester, letter grades will be assigned on a curve according to Marshall School of Business grading guidelines.
Final grades represent how you perform in the class relative to other students. Your grade will not be based on a mandated target, but on your performance. Historically, the average grade for this class is about a 3.0 (i.e., a “B”). Three items are considered when assigning final grades:

1. Your score for each of the items above weighted by the appropriate factor and summed.
2. Your overall percentage score for the course.
3. Your ranking among all students in the course(s) taught by your instructor during the current semester.

The grade of “W” is allowed only if a student withdraws after the official add period and before the end of the drop period during the semester. A mark of IN (incomplete) may be assigned when work is not completed because of a documented illness or other “emergency” that occurs after the 12th week of the semester (or the twelfth week equivalent for any course that is scheduled for less than 15 weeks). An “emergency” is defined as a serious documented illness, or an unforeseen situation that is beyond the student’s control, that prevents a student from completing the semester. Prior to the 12th week, the student still has the option of dropping the class. Arrangements for completing an IN must be initiated by the student and agreed to by the instructor prior to the final examination. Both the instructor and student must sign the “Assignment of an Incomplete (IN) and Requirements for Completion” form with a copy of the form filed in the department. Class work to complete the course must be completed within one calendar year from the date the IN was assigned. The IN mark will be converted to an F grade should the course not be completed within the time allowed.

**Assignments and Grading Detail**
Expectations regarding your performance on exams, quizzes, in-class exercises and the team project are as follows:

**Exams**
Exams may include: multiple-choice questions, short answer / brief essay questions, exercises, and problems. Preparing for exams involves dedication and ends only when you can: 1) identify the relevant issues in a given business situation; 2) analyze the data and transform it into information to be used in a comprehensive answer; and 3) explain what you did using techniques demonstrated in class. The best bet for success involves a number of steps. First, is making sure you do the advanced preparation for each class session. Second is reworking problems done in class and trying other / additional problems. Third is making sure you ask questions in a real-time manner to solidify your understanding of the material as we go, rather than trying to ‘get it’ right before an exam. Remember, on exams you will be required to perform all work (e.g., problem setup, solution generation, and answer presentation) on your own.

The exam dates for this semester are as follows:

- **Exam I**  
  Thursday  
  February 8th  
  (Normal Class Session)

- **Exam II**  
  Thursday  
  March 22nd  
  (Normal Class Session)

- **Final exam**  
  Saturday  
  May 5th  
  (11:00 AM – 1:00 PM)

During the semester, each exam will be returned no more than one week after it has been given. After each test is returned there is a one-week reflection period and then you will have one week to discuss your grade. Be aware any re-consideration process can result in three types of grade adjustments: positive, none, or negative. After this time, grades on tests become final. All other grades are final once given.

The Leventhal School of Accounting policy is exams should not be missed unless there is a very serious emergency AND it can be properly documented. Also, to the extent possible, you must inform the instructor of the emergency prior to the exam (it is understood this is not always possible). If you miss an exam for something other than a serious emergency and / or you cannot provide documentation, you will receive a zero grade for the exam. If there is a serious emergency, you can provide proper documentation and (when possible) have notified me before
the exam, a substitute grade will be calculated based on the normalized average of your remaining future exams.

The final exam must be taken at the scheduled time unless an incomplete contract has previously been approved according to Leventhal School of Accounting guidelines.

**Quizzes**
Quizzes may include multiple-choice questions, exercises and problems. They will be given one ‘class week’ before each exam (including the final) and are designed to prepare you for the upcoming exam. Preparing for quizzes is facilitated by keeping up with the work in class, reworking problems we have done in class, and trying other problems. No make-up quizzes will be given as only the three highest raw scores are used to generate the quiz component of the total score.

**Homework**
At various points during the semester, up to six homework problems identified by both **bold and italicized** print within the “Schedule of Classes and Homework Assignments” will be randomly collected. Points are earned by student’s good faith effort in completing the exercise prior to the class session. No make-ups or alternative assignments will be accepted.

**In-class Exercises**
At various points during the semester, unannounced exercises will be introduced to provide students with examples of kind of material they should expect to see on exams. These exercises can be completed by ad hoc groups, of four members or less, using any course materials present (i.e., open book / open notes). Points are earned by students completing the exercise based on the proper application of the techniques covered during class discussion. No make-ups or alternative assignments will be accepted.

**Team Project**
The Team Project will be handed out during the semester. It is a research based assignment that will require your team to evaluate a public company and produce a class presentation, best practice based Excel model, and written report covering a variety of organizational performance characteristics. You will document your results by: 1) delivering a professional / high quality copy of the report as indicated in the class schedule; and 2) presenting key findings to the class on the day of presentations.
MARSHALL GUIDELINES

Learning Goals
In this class, emphasis will be placed on the USC Marshall School of Business learning goals as follows:

<table>
<thead>
<tr>
<th>Goal</th>
<th>Description</th>
<th>Course Emphasis</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Our graduates will have an understanding of the key business areas and their</td>
<td>Medium</td>
</tr>
<tr>
<td></td>
<td>interplay to effectively manage different types of modern enterprise.</td>
<td></td>
</tr>
<tr>
<td>2</td>

Add / Drop Process
Most Marshall classes are open enrollment (R-clearance) through the Add deadline. If there is an open seat, students can add the class using Web Registration. If the class is full, students will need to continue checking the Schedule of Classes (classes.usc.edu) to see if a space becomes available.

Students may drop via Web Registration at any time prior to Friday, April 6th. Please note that if you drop after September 8th your transcripts will show a W for the class.

Dates to Remember:
- Last day to add classes or drop and receive a refund: Friday – January 26th
- Last day to drop without a W or change P/NP to Letter Grade: Friday – February 23rd
- Last day to drop with "W": Friday – April 6th

Retention of Graded Coursework
Graded work that has not been returned to you will be retained for one year after the end of the semester. Any other materials not picked up by the end of the semester will be discarded after final grades have been submitted.

Technology Policy
Laptop and Internet usage is not permitted during academic or professional sessions unless otherwise stated by the professor. Use of other personal communication devices, such as cell phones, is considered unprofessional and is not permitted during academic or professional sessions. Upon request, all electronic devices in your possession (e.g., cell / smart phones, tablets, laptops, etc.) must be completely turned off and / or put face down on the desk in front of you. In addition, at certain times (i.e., during exams), you might also be asked to deposit your devices in a designated area in the classroom. Video recording of faculty lectures is not permitted due to copyright infringement regulations. Audio recording is only permitted if approved in advance by the professor. Use of any recorded or distributed material is reserved exclusively for the USC students registered in this class.
Recordings
No student may record any lecture, class discussion or meeting with the professor without the professor’s prior express written permission. The word “record” or the act of recording includes, but is not limited to, any and all means by which sound or visual images can be stored, duplicated or retransmitted whether by an electro-mechanical, analog, digital, wire, electronic or other device or any other means of signal encoding. The professor reserves all rights, including copyright, to lectures, course syllabi and related materials, including summaries, PowerPoints, prior exams, answer keys, and all supplementary course materials available to the students enrolled in this class whether posted on Blackboard or otherwise. They may not be reproduced, distributed, copied, or disseminated in any media or in any form, including but not limited to all course note-sharing websites. Exceptions are made for students who have made prior arrangements with DSP and the professor.

Statement for Students with Disabilities
USC is committed to making reasonable accommodations to assist individuals with disabilities in reaching their academic potential. If you have a disability which may impact your performance, attendance, or grades in this course and require accommodations, you must first register with the Office of Disability Services and Programs (www.usc.edu/disability). DSP provides certification for students with disabilities and helps arrange the relevant accommodations. Any student requesting academic accommodations based on a disability is required to register with Disability Services and Programs (DSP) each semester. A letter of verification for approved accommodations can be obtained from DSP. Please be sure the letter is delivered to me (or to your TA) as early in the semester as possible. DSP is located in GFS (Grace Ford Salvatori Hall) 120 and is open 8:30 a.m.–5:00 p.m., Monday through Friday. The phone number for DSP is (213) 740-0776. Email: ability@usc.edu.

Statement on Academic Conduct
USC seeks to maintain an optimal learning environment. General principles of academic honesty include the concept of respect for the intellectual property of others, the expectation that individual work will be submitted unless otherwise allowed by an instructor, and the obligations both to protect one’s own academic work from misuse by others as well as to avoid using another’s work as one’s own. All students are expected to understand and abide by these principles. SCampus, the Student Guidebook, (www.usc.edu/scampus or http://scampus.usc.edu) contains the University Student Conduct Code (see University Governance, Section 11.00), while the recommended sanctions are located in Appendix A.

Students will be referred to the Office of Student Judicial Affairs and Community Standards for further review, should there be any suspicion of academic dishonesty. The Review process can be found at: http://www.usc.edu/student-affairs/SJACS/. Failure to adhere to the academic conduct standards set forth by these guidelines and our programs will not be tolerated by the USC Marshall community and can lead to dismissal.

Academic Conduct
Plagiarism – presenting someone else’s ideas as your own, either verbatim or recast in your own words – is a serious academic offense with serious consequences. Please familiarize yourself with the discussion of plagiarism in SCampus in Part B, Section 11, “Behavior Violating University Standards” https://policy.usc.edu/scampus-part-b/. Other forms of academic dishonesty are equally unacceptable. See additional information in SCampus and university policies on scientific misconduct, http://policy.usc.edu/scientific-misconduct.

Discrimination, sexual assault, and harassment are not tolerated by the university. You are encouraged to report any incidents to the Office of Equity and Diversity (http://equity.usc.edu/) or to the Department of Public Safety (http://capsnet.usc.edu/department/department-public-safety/online-forms/contact-us). This is important for the safety whole USC community. Another member of the university community – such as a friend, classmate, advisor, or faculty member – can help initiate the report, or can initiate the report on behalf of another person. The Center for Women and Men (http://www.usc.edu/student-affairs/cwm/) provides 24/7 confidential support, and
the sexual assault resource center webpage (sarc@usc.edu) describes reporting options and other resources.

**Support Systems**

*Student Counseling Services (SCS) - (213) 740-7711 – 24/7 on call*
Free and confidential mental health treatment for students, including short-term psychotherapy, group counseling, stress fitness workshops, and crisis intervention. [https://engemannshc.usc.edu/counseling/](https://engemannshc.usc.edu/counseling/)

*National Suicide Prevention Lifeline - 1-800-273-8255*
Provides free and confidential emotional support to people in suicidal crisis or emotional distress 24 hours a day, 7 days a week. [http://www.suicidepreventionlifeline.org](http://www.suicidepreventionlifeline.org)

*Relationship & Sexual Violence Prevention Services (RSVP) - (213) 740-4900 - 24/7 on call*
Free and confidential therapy services, workshops, and training for situations related to gender-based harm. [https://engemannshc.usc.edu/rsvp/](https://engemannshc.usc.edu/rsvp/)

*Sexual Assault Resource Center*
For more information about how to get help or help a survivor, rights, reporting options, and additional resources, visit the website: [http://sarc.usc.edu](http://sarc.usc.edu)

*Office of Equity and Diversity (OED)/Title IX compliance – (213) 740-5086*
Works with faculty, staff, visitors, applicants, and students around issues of protected class. [https://equity.usc.edu/](https://equity.usc.edu/)

*Bias Assessment Response and Support*
Incidents of bias, hate crimes and microaggressions need to be reported allowing for appropriate investigation and response. [https://studentaffairs.usc.edu/bias-assessment-response-support/](https://studentaffairs.usc.edu/bias-assessment-response-support/)

*The Office of Disability Services and Programs*
Provides certification for students with disabilities and helps arrange relevant accommodations. [http://dsp.usc.edu](http://dsp.usc.edu)

*Student Support & Advocacy – (213) 821-4710*
Assists students and families in resolving complex issues adversely affecting their success as a student EX: personal, financial, and academic. [https://studentaffairs.usc.edu/ssa/](https://studentaffairs.usc.edu/ssa/)

*Diversity at USC – [https://diversity.usc.edu/](https://diversity.usc.edu/)*
Tabs for Events, Programs and Training, Task Force (including representatives for each school), Chronology, Participate, Resources for Students

**Emergency Preparedness / Course Continuity**

In case of a declared emergency if travel to campus is not feasible, the USC Emergency Information web site ([http://emergency.usc.edu](http://emergency.usc.edu)) will provide safety and other information, including electronic means by which instructors will conduct class using a combination of USC's Blackboard learning management system (blackboard.usc.edu), teleconferencing, and other technologies.

The USC Department of Public Safety provides overall safety to the USC community ([http://dps.usc.edu](http://dps.usc.edu)). For additional information, to report an emergency, or to report a crime you may use the following any time of day or night:

**USC Department of Public Safety – (213) 740-4321**

**Team Reports Due**

Saturday: 11:00 A.M. – 1:00 P.M.
APPENDIX I

UNDERGRADUATE PROGRAM LEARNING GOALS

According to the AACSB, the Learning Goals state how the degree programs demonstrate the Marshall mission. Learning Goals should be broad statements, describing the goal of learning as well as the outcome. Accordingly, below the goal is what Marshall intends the students should be and the outcome further describes students’ application and transfer of knowledge. The goals should express expectations that reflect the depth and breadth of student knowledge and skills that are sustainable foundations for life-long learning in support of their professional and personal development.

1. Our graduates will have an understanding of the key business areas and their interplay to effectively manage different types of modern enterprise.

2. Our graduates will have a global mindset demonstrating an understanding of the interplay of local, regional, and international markets, and economic, social and cultural issues.

3. Our graduates will demonstrate critical thinking skills, decision-making, and problem-solving abilities to strategically navigate complex demands of business environments.

4. Our graduates will demonstrate leadership skills aspiring to be sensible, future-oriented leaders and innovators.

5. Our graduates will demonstrate ethical reasoning skills, understand social, civic, and professional responsibilities and aspire to add value to society.

6. Our graduates will be effective communicators in speaking and writing to facilitate information flow in organizational, social, and intercultural contexts.

LEARNING OBJECTIVES ASSOCIATED WITH EACH LEARNING GOAL

According to AACSB, the more places in a curriculum [exist] that support one or more learning goals [and their objectives], the greater the probability of student success.

1. Learning goal: Our graduates will have an understanding of the key business areas and their interplay to effectively manage different types of modern enterprise.
   a. Students will gain factual, conceptual, procedural, and metacognitive knowledge of the following areas: Accounting, finance, marketing, management & organizational behavior, operations and information management, and entrepreneurship.
   b. Students will integrate disciplinary knowledge to develop a general management perspective and know how to tailor it to different types of modern enterprise.
   c. Students will understand and utilize current technology in all disciplines.

2. Learning goal: Our graduates will have a global mindset demonstrating an understanding of the interplay of local, regional, and international markets, and economic, social and cultural issues.
   a. Students will understand the complexities of business in the global economy and society, including its local, regional and global impact.
   b. Students will understand the different markets such as product, capital, commodity and factor, labor and global markets.
c. Students will apply theories, models, and frameworks to analyze those markets.
d. Students will have knowledge of the role of the legal, regulatory, competitor, financial, and consumer environments on business.
e. Students will have knowledge of other cultures and their implications for business practice.
f. Students will be able to adapt behavior and business practices to diverse business environments and cultures.

3. Learning goal: **Our graduates will demonstrate critical thinking skills, decision-making, and problem-solving abilities to strategically navigate complex demands of business environments.**
   a. Students will gather, categorize, analyze, interpret, and evaluate relevant qualitative and quantitative information.
   b. Students will critically question problems, competing priorities and points of view in situations characterized by ambiguity and/or uncertainty.
   c. Students will apply analytic tools and frameworks of business disciplines to create and defend well-reasoned conclusions and solutions based on relevant criteria and standards.
   d. Students will develop abstract ideas and design novel conceptual frameworks based on facts and theories.

4. Learning Goal: **Our graduates will demonstrate leadership skills aspiring to be informed, sensible, future-oriented leaders and innovators.**
   a. Students will recognize the intricacies of individual and organizational group behaviors and demonstrate leadership skills at all levels in organizations, such as team leadership, departmental leadership, executive leadership, and entrepreneurial leadership.
   b. Students will demonstrate the ability to be creative and innovative thought-leaders.

5. Learning goal: **Our graduates will demonstrate ethical reasoning skills, understand social, civic, and professional responsibilities and aspire to add value to society.**
   a. Students will understand and abide by professional codes of conduct.
   b. Students will understand the importance of ethics across cultures.
   c. Students will know how to apply ethical frameworks to assess appropriate courses of conduct.
   d. Students will recognize situations and issues that present ethical challenges and will be able to develop solution approaches.
   e. Students will understand businesses’ responsibilities to stakeholders and moral obligations to society at large.

6. Learning goal: **Our graduates will be effective communicators in speaking and writing to facilitate information flow in organizational, social, and intercultural contexts.**
   a. Students will assess and characterize diverse communication goals and audience needs across cultures and utilize the appropriate oral or written form of communication as well as applicable media and technology.
   b. Students will understand interpersonal and organizational communication dynamics and implement effective internal and external organizational communication strategies.
   c. Students will conduct research using a broad range of sources, synthesizing and judging the quality of collected information and support their written or oral claims logically and persuasively.
   d. Students will write effectively in professional contexts and in all common business formats.
   e. Students will create and deliver context specific presentations and/or lead meetings individually or collaboratively.
The Leventhal School of Accounting adheres strictly to the grading standards of the University and the School of Business Administration. Additionally, the Leventhal School of Accounting has supplemented those standards with certain others. For students' convenience, and to prevent misunderstanding, these additional standards are summarized below.

**GRADING STANDARDS**

The following grades are used: A - excellent; B - good; C - fair; D - minimum passing; F - failure. The grade of F is awarded for failing work at the end of the semester. The assignment of minuses and pluses when earned is required.

The grade of W (Withdraw) is assigned if the student officially withdraws after the third week but before the end of the twelfth week of the semester. No withdrawals will be permitted after the end of the twelfth week except by student petition to the University's Committee on Academic Policies and Procedures.

Students may elect to audit courses during the first three weeks of the semester. A course taken for audit (V) will be assessed at the current tuition rate. A course taken for audit (V) will not receive credit and will not appear on the USC transcript or grade report. Under no circumstances will the University allow a change in the registration status of a course from letter grade or credit to audit (V) or vice versa after the third week of a given semester.

The grade of IN (Incomplete, i.e., work not completed because of documented illness or some other emergency occurring after the twelfth week of the semester) is reserved for those highly unusual cases where, due to circumstances judged fit by the Dean of the Leventhal School of Accounting, the student is unable to complete a specified single item of the course requirements by the time final grades are submitted.

IN grades can be removed only by the student completing the missing requirements of the course to the satisfaction of the instructor.

Marks of IN in courses numbered below 500 must be removed by the end of the semester following the one in which the mark of IN was assigned. If not removed within the specified time limit, marks of IN automatically become marks of IX (expired incomplete), with the exception of thesis and dissertation, and compute in the GPA as an F. A student may remove the IN only by completing the work not finished as a result of illness or emergency. It is not possible to remove an incomplete by re-registering for the course. Previously graded work may not be repeated for credit.
G.P.A. PREREQUISITES FOR UNDERGRADUATE ACCOUNTING COURSES

The following are grade point average prerequisites for any undergraduate student enrolled in any accounting course. Individual instructors may not waive these standards: (1) an average grade of B or better in BUAD 280/281 with neither grade lower than a B-; or (2) if applicable, transfer students are required to meet an average grade of B in the two transferred accounting courses and BUAD 305x (with neither grade lower than a B-).

In meeting the B (3.0) average required for admission to the Leventhal School of Accounting, only one of the courses may be repeated. If the repeated course grade is higher, that grade will be considered in determining whether the student meets the B average for admission, and the original course grade will be disregarded by the Leventhal School. See Repeated Course Work at USC, USC Catalogue, for further restrictions on including grades in repeated classes in the overall grade point average computation.

In computing grade point average prerequisites, BUAD 285ab or BUAD 286ab, BUAD 302T and BUAD 305x will be considered accounting courses.

Grades in accounting courses taken at other institutions will not be included in the computation of the cumulative accounting grade point average. Exception: transfer students taking BUAD 305x and seeking admission to the School of Accounting.

When a student's cumulative accounting grade point average falls below 2.7, the student is placed on probation. If a student on probation does not regain a minimum accounting cumulative GPA of 2.7 after completing the next 12 semester hours in all courses (including accounting courses) attempted within the University, that student will not be permitted to continue as an accounting major in the Leventhal School of Accounting. Exceptions to this policy may be granted only in unusual circumstances by the Academic Standards Committee of the Leventhal School of Accounting. Decisions of the Academic Standards Committee are final.

To be removed from probationary status, a student may elect either to take another accounting course or courses for which prerequisites are met or to repeat an accounting course or courses in an attempt to earn a higher grade. Regardless of the course of action taken, all courses completed will be counted in computing the cumulative accounting grade point average.

The grade of "W" in an accounting course taken while a student is on probation will not extend probation. The probation period ends at the end of that semester during which the student completes a cumulative total of 12 semester hours of courses in any subject(s) at the university. Under no conditions will the student be permitted more than two successive semesters, including the summer semester, to complete the 12 semester hours of courses.

Students must attain a minimum 2.7 cumulative accounting grade point average to graduate with a Bachelor of Science in Accounting degree.
OTHER ACADEMIC STANDARDS

1. The ability of students to write clearly and concisely is a necessary prerequisite to success in accounting work. Accordingly, students will be required to demonstrate writing capability in all accounting courses. This may be accomplished primarily through the inclusion of essay-type questions on course examinations.

2. No unregistered students are permitted to attend accounting classes regularly.

Important Dates for Spring 2018

First Day of Class
Monday, January 8

Martin Luther King Jr. Birthday, University Holiday
Monday, January 15

Last Day to Register/Add Classes
Friday, January 26

Last Day to Drop and receive a Refund
Friday, January 26

USC Career Fest
Monday – Friday, January 29 – February 2

USC Career Day
Thursday, February 8

Meet the Firms, California Science Center
Tuesday, February 13, 6:30 – 9pm

Presidents’ Day, University Holiday
Monday, February 19

Last Day to Drop without a “W”
Friday, February 23

Last Day to change enrollment from P/NP to Letter grade
Friday, February 23

Spring Break
Monday – Friday, March 12 – 16

Last Day to Drop with a "W"
Friday, April 6

LSOA Annual Scholarship Dinner, Town & Gown
Wednesday, April 18

Last Class Meeting
Friday, April 27

Study Days
Saturday – Tuesday, April 28 – May 1

Final Exams
Wednesday – Wednesday, May 2 – 9

Commencement
Friday, May 11
