

FBE-571, 572, & 573 information for USC Students

The Finance and Business Economics Department offers three cross-disciplinary courses which incorporate the CFA Institute Chartered Financial Analyst (CFA®) body of knowledge into the course curriculum: **FBE-571** (Level I, Fall & Spring), **FBE-572** (Level II, Spring only), and **FBE-573** (Level III, Spring only).

However, you do NOT have to sit for the CFA Institute exam to take and receive credit for these courses. They are very comprehensive **team-taught survey courses** that would be of benefit to any MBA or MSF student. *Topics include: economics, quantitative methods, financial statement analysis (accounting), corporate finance, markets and tools, equity valuation and analysis, fixed income analysis, derivatives, capital market theory, portfolio management, alternative investments, and ethics.*

****** You are NOT required to register through USC to take these review classes. ******

If you don't want or need USC credit (*or if you know someone who is not a USC student*), you can register for any of these three courses on a NON-CREDIT basis through our partner and co-sponsor, CFALA.

Registering for any of these courses does NOT register you to sit for the CFA Institute CFA® examination! Registration for the CFA Institute exam is done on their website at: <http://www.cfainstitute.org>

There are scholarships available to pay most of the CFA Institute examination fee (Access Scholarship or University Student scholarship) and the USC/CFALA review course non-credit registration fee (Access Scholarship ONLY). **Basic scholarship information is listed on page 4.** The **Student Scholarship application form** is at: https://www.cfainstitute.org/Forms/dec_june_student_scholarship.pdf

FBE-571: *Subject to sufficient enrollment*, FBE-571 will be offered in two sections, Thursday evenings and Saturday mornings. The same lecture will be given live twice. **No matter which section you register for, you may attend whichever lecture section is most convenient for you in any given week.** However, we only have a class number for the Thursday evening section (class# 15466). *In general, the Saturday Level I will not meet every week.* Consequently, two lectures (9am-12pm & 1pm-4pm) will be taught on those Saturdays when class is scheduled to meet. **First Lectures: Thurs. Jan. 11, 2018 and Sat. Jan. 20, 2018.**

FBE-572 will be offered only on Saturday mornings. In general, Level II will not meet every week. Consequently, two lectures (9am-12pm & 1pm-4pm) will be taught on those Saturdays when class is scheduled to meet. (class# 15467). **First Lecture: Sat. Jan. 27, 2018.**

FBE-573 will be offered only on Saturday mornings. In general, Level III will not meet every week. Consequently, two lectures (9am-11am & 11:30am-1:30pm) will be taught on those Saturdays when class is scheduled to meet. (class# 15468). **First Lecture: Sat. Jan. 20, 2018.**

In general, lectures meet for 3 hours (Level 1 & 2) or 2 hours (Level 3). All 3 levels will be recorded, with streaming media replays available 24/7 via the internet.

Lectures may BEGIN BEFORE or AFTER the start of the regular semester and/or END AFTER the end of the regular semester. Taking one of these classes for credit during your last semester before graduation MAY DELAY YOUR GRADUATION if you don't pass the USC final exam. ***All dates subject to change!!!***

REGISTRATION OPTIONS:

- 1) **USC:** register for **FBE-571, FBE-572, or FBE-573.** Each course is a 3-unit MBA or MSFin elective class.
- 2) **CFALA:** **NO USC credit!!**

Register through USC or CFALA - - NOT both!!

USC CREDIT REGISTRATION

You need a “D-clearance” to register for FBE-571, 572, or 573. You can obtain the Spring 2018 D-Clearance and Prerequisite Waiver form from the FBE Office, HOH-231, 213-740-6515, by email from tlichvar@usc.edu, or from the Schedule of Classes, where it will be posted with a copy of this FAQ & scholarship info in lieu of a syllabus.

Please fill it out CLEARLY (*I can't help you if I can't read it!*), SIGN IT, and fax it back (213-740-6650), or email a scanned copy to tlichvar@usc.edu, or drop it off at HOH-231. No cover page is needed for a fax.

Your request will be evaluated and your enrollment will be approved or denied. When approved, your name, student ID number, and email address will be forwarded to the Marshall Registrar. After your D-clearance (*and pre-req waiver if needed*) has been entered into the USC registration computer system, the Marshall registrar's office will email your notification that you have permission to register for the appropriate course.

IT'S YOUR RESPONSIBILITY TO FOLLOW THROUGH and REGISTER YOURSELF FOR THE CLASS.

MBA & MSFin students with a GPA of 3.0 or better will be approved immediately. *GPA's below 3.0 will require “GPA counseling” prior to approval. Students in other degree programs will be contacted by phone prior to approval,* and will also need to complete a Marshall Non-Business Student Application Form, available from <http://info.marshall.usc.edu/dept/gradreg/nonbusiness/Pages/Non-Business%20Graduate.aspx>.

DETAILS:

1) REGISTRATION: Submitting the "D-Clearance" form *DOES NOT register you in the course, nor does it obligate you to register for the course. It grants you permission to register. Once granted permission, YOU MUST REGISTER YOURSELF via USC's regular on-line web registration process if you want to be in the class.* Webreg URL: <https://www.usc.edu/webregistration>

If your GPA is below 3.0, you may still register for this course provided you are registered for the CFA Level I examination. However, passing this class will NOT improve your GPA, so you may want to reconsider your decision to register for this course.

These classes do not close, so there is NO NEED to BID on them!!

If you are a **NON-BUSINESS grad student**, you also need to obtain a **Non-Business Student Permission to Register form** from the Marshall website (below). Fill it out & email it (registration@marshall.usc.edu) to the Marshall registrar, who will register you in the class when your D-clearance is granted. <http://info.marshall.usc.edu/dept/gradreg/nonbusiness/Pages/Non-Business%20Graduate.aspx>.

2) UNDERGRADUATE REGISTRATION: Unfortunately, undergraduate students are not permitted to register for MBA courses, even as an Auditor! *To attend this course, undergraduate students must register through CFALA on a NON-CREDIT basis. (See CFALA registration information on page 4.)*

3) COST: This is a standard 3 unit course. The cost to you is 3 units of tuition. ***Late registrations are subject to USC late fees. ALL LATE FEES ARE THE RESPONSIBILITY OF THE STUDENT!***

4) CFA Institute EXAM: ***Registering for FBE-571/2/3 does NOT register you for the CFA exam!!!!*** Institute exam registration is SEPARATE. Go to: <https://www.cfainstitute.org/programs/cfaprogram/Pages/index.aspx>

5) COURSE ADMINISTRATION: Course administration (*lecture schedules, class handouts, links to streaming media recordings, and all class change notifications*) are managed through the **USC/CFALA CFA Review Program website - - NOT BLACKBOARD.** <http://www.cfalacfareview.org>

- 6) CFALA LOGIN:** After you're registered for the class, your contact information will be provided to CFALA as a "USC registrant". CFALA will email to you a CFA® Review Program login for their website. **You will use the CFALA login to access the USC/CFALA CFA® Review Program website for materials.**
- 7) LECTURE SCHEDULES:** Detailed lecture schedules are available from the CFALA website. Click on the **Schedule** link to view lecture & lab schedules
- The schedules are **SUBJECT TO CHANGE** (including lecture locations!!); **CHECK IT EACH WEEK** before you come to class!*
- 8) COURSE HANDOUTS:** All lecture handouts are available from the CFALA website. WE DO NOT PROVIDE COPIES OF THE HANDOUTS. You must download and bring your own handouts to lectures!!
- 9) STREAMING MEDIA:** We will be STREAMING ALL LECTURES LIVE, and recording the lectures for all 3 courses. These recordings will be available 24/7 via the internet. If you can't attend lectures in person you can still watch them on-line. *Access to live & recorded streaming media lectures is via the CFALA website.*
- 10) GRADING:** These courses are **graded CREDIT/NO CREDIT** only. (Yes, *ONE course counts as 3 elective units toward your Core or PM MBA or MS Finance degree**) These units **are NOT pre-approved** for credit toward any other USC grad or undergrad degree! *If you are not a Core, PM, or MSFin student, check with your academic unit BEFORE YOU REGISTER to determine credit options!!*
- 11) * ELECTIVE CREDIT:** You can only count **ONE** of the three classes as an elective toward your **Core MBA, PM MBA, or MS Finance degree**. You can still register for the other courses through USC, but they will NOT count toward your degree. (*i.e.: if you have a scholarship or if your company will pay if you register through USC but not if you register through CFALA.*)
- 12) GETTING CREDIT:** There are no graded homework or midterms, nor is there any participation or attendance requirement. **To receive a grade of CREDIT in these courses, you must (A) take the USC final exam, AND (B) pass one of two exams: (1) the USC final exam or (2) the CFA® Institute exam** given at the end of the semester in which you were registered for the class.
- 13) GRADUATION DELAY?** Taking one of these classes for credit during your last semester before graduation **MAY DELAY YOUR GRADUATION** if you don't pass the USC final exam. If you plan to graduate in May 2018: if you **pass the USC final exam = NO delay**; if you **fail the USC final = GRADUATION DELAY**; if you **don't take the USC final = fail the final = GRADUATION DELAY**.
- 14) FINAL EXAM: FINALS FOR ALL 3 COURSES:** **Sat. May 5, 2018 from 2:00pm - 4:00pm in JFF-236.** This is a regular 2-hour final exam administered during the USC finals period. It will only include material covered in the course lectures completed prior to finals (*there may be additional lectures AFTER the final exam*). **THIS EXAM DETERMINES WHETHER OR NOT YOU RECEIVE CREDIT FOR THE COURSE!!** **Attending the final exam is MANDATORY. Not taking the final will result in a grade of NO CREDIT for the course even if you subsequently take and pass the CFA® Institute examination.** The final exam is NOT the "practice exam" ‡ listed on the lecture schedule. Confirmation regarding the day, time, and location of the final exam will be emailed to all students before the final exam is given.
- 15) ‡ PRACTICE EXAM:** A value-added feature of the review program. At the end of the course, a full-length (6 hour) practice exam is given. This practice exam is optional and has NO BEARING on course grading. *However, it does a good job of assisting candidates with preparing for the CFA Institute exam!*
- 16) TEXT:** The text is the CFA Institute **Curriculum** that you receive when you register for the exam. *IF you are NOT planning to register for the CFA Institute exam contact Terry Lichvar (HOH-231, tlichvar@usc.edu or 213.740.6522). She will send you the Curriculum order form to submit to the CFA Institute. You may purchase a printed OR electronic copy of the Curriculum. DO NOT purchase used Curriculum materials via the internet!! The materials for each Spring exam are NEW and no "used"*

version exists. **One set of Curriculum materials for each class will be placed on 2-hour reserve in the Gaughan and Tiberti Library in JFF-101.** It must be used within the library.

17) SCHWESER: A value-added feature of this review program. If you register for FBE-571/2/3 and do not drop the course before the end of the drop and add period, you will receive access to the appropriate level of 2018 on-line Schweser self-study notes and Q-Bank testing at no additional charge. *DO NOT buy these from Schweser as there will be no tuition discount and Schweser has a VERY strict refund policy.* Due to the on-line nature of these materials, Schweser access cannot be granted until the Monday after the end of USC's drop and add period, Jan. 29, 2018. (*Drop & Add ends Jan. 26!*)

18) VALUE-ADDED PROGRAM OFFERINGS: USC registered students are eligible to participate in all of the value-added features of the review program, including the Candidate Connection, full length practice exam, Schweser materials, & (Level 1 only) CFA Lab tutoring, Mentor Match, and Accounting Essentials classes.

NON-CREDIT REGISTRATION through CFALA - <http://www.cfalacfareview.org>

If you are an undergraduate student who is ineligible to register for MBA classes, a non-Marshall grad student who cannot use these courses for USC credit, a Marshall grad student who does not want USC credit, or someone who is taking the CFA exam but is not a USC student, you can register for any of these 3 courses at the website of our co-sponsor, the **CFA Society of Los Angeles (CFALA)** at <http://www.cfalacfareview.org>

1) REGISTRATION PROCESS: Registration is done on-line or via a printable registration form available at the CFALA CFA Review program website. <http://www.cfalacfareview.org>

2) COST: The CFALA REGISTRATION FEE is \$1,499. There are discounts available for CFALA members or early enrollment (\$1,199 on or before Dec. 15). ***You cannot use tuition remission or your USC Card to pay the CFALA registration fee.*** CFALA accepts Visa, MasterCard, American Express, or check. ***NOTE: A portion of this fee is NON-REFUNDABLE!! See the registration form/website for details.***

3) The course will NOT show up on your USC transcript and you CANNOT retroactively obtain USC credit for the course.

4) SCHWESER: Registration in this program INCLUDES access to the appropriate level of 2018 on-line Schweser self-study notes and Q-Bank testing at no additional charge. **DON'T buy them from Schweser!!!!**

SCHOLARSHIPS:

Access Scholarships: Access Scholarships provide a needs-based scholarship opportunity for those unable to afford the full price of the CFA Program enrollment and registration fees. The application deadline for this scholarship is SEPT. 15 for the following Spring & Fall exams. ***(Deadline has passed for Spr & Fall 2018)***

University Student Awareness Scholarships: Available to Level I, II, & III student candidates. Covers the CFA[®] Institute Exam fees EXCEPT \$350. Because there are a limited number of scholarships and a lot of possible recipients, **we've implemented our own application process for the Student Scholarships.**

The form and instructions are available from HOH-231, via email from tlichvar@usc.edu, and posted as part of the "syllabus" document for FBE-571/2/3 on the USC Schedule of Classes. ***You do NOT need to participate in the USC/CFALA CFA Review Program or be a Marshall student to receive a Student scholarship.***

STUDENT SCHOLARSHIP APPLICATION DEADLINE: received by 5:00 pm, Wed. Jan. 24, 2018.
