1. Select the appropriate management assertions and evidence gathering procedures to gather appropriate sufficient audit evidence by describing assertions and procedures for identified company transactions and accounts.
2. Understand the concepts of sampling and analysis in the selection of audit procedures to gather evidence and the tools available to assist the auditor.
3. Appraise the appropriateness and sufficiency of audit evidence through the use of various audit procedures used to gather the evidence and the appropriateness of the including the use of various technologies utilized.
4. Understand Professional Judgment and Professional Skepticism to develop conclusions on evidence gathered.
5. Identify the steps necessary to complete and conclude on an audit through class examples and discussions.

Required Materials

Course Materials: ACC 473 – You will be able to access all course material from Blackboard. This will include sites for accessing professional standards and literature, as well as professional articles, cases and other documents. (See daily assignments)

Please bring a laptop computer or tablet to class.

Prerequisites Preparation:

ACC 373

Course Notes:

This course uses Blackboard. All materials, including PowerPoint slides will be maintained on Blackboard. I will also ask that you turn in assignments in Turnitin, which is located within Blackboard.

Grading Policies:

I believe that a variety of skills are necessary to be an excellent professional. Therefore, there are several components to your overall grade.

Components	Percent
Assignments, in-class & HW	20%
Midterm	25%
Lab Activities	5%
Final	50%
Total	100%

All of the sections of ACC 473 will be graded together. Historically, accounting electives' mean GPA target is a 3.3. After each grade is posted or returned, you will have **one week to challenge** your grade in writing. After this time, the grades will become final.

* Considered for overall grade for group projects.

Assignments, in-class & homework:

There are various in-class and homework assignments that are noted on the syllabus. These assignments will be graded. Some activities may be group while others will be individual. In total, these assignments will account for 20% of your overall grade. They will be submitted via Blackboard. **Late assignments will be penalized.**

Readings:

You will use the Professional Audit Standards to understand the topics and cases we will be discussing in class. Additionally, I will provide professional readings to supplement the standards.

Lab Activity

There will be two labs this semester. The labs will require you to submit the case activity we do during the lab.

Examination:

There will be a short midterm and a more extensive final for this class. Details regarding the final will be provided in class.

Retention of Graded Coursework

Final exams and all other graded work which affected the course grade will be retained for one year on-line after the end of the course *if* the graded work has not been returned to the student (i.e., if I returned a graded paper to you, it is your responsibility to maintain it).

Technology Policy

Laptop and Internet usage is permitted during academic or professional sessions when engaged in a technology related class activity. Use of other personal communication devices, such as cell phones, is considered unprofessional and is not permitted during academic or professional sessions. ANY e-devices (cell phones, PDAs, I-Phones, Blackberries, other texting devices, laptops, I-pods) must be completely turned off during class time. Use of any recorded or distributed material is reserved exclusively for the USC students registered in this class.

USC Statement on Academic Conduct and Support Systems:

Plagiarism – presenting someone else’s ideas as your own, either verbatim or recast in your own words – is a serious academic offense with serious consequences. Please familiarize yourself with the discussion of plagiarism in *SCampus* in Part B, Section 11, “Behavior Violating University Standards” <https://policy.usc.edu/scampus-part-b/>. Other forms of academic dishonesty are equally unacceptable. See additional information in *SCampus* and university policies on scientific misconduct, <http://policy.usc.edu/scientific-misconduct>.

Students enrolled in any class offered by the Leventhal School of Accounting are expected to uphold and adhere to the standards of academic integrity established by the Leventhal School of Accounting Student Honor Code. Students are responsible for obtaining, reading, and understanding the Honor Code System handbook. Students who are found to have violated the Code will be subject to disciplinary action as described in the handbook. For more specific information, please refer to the Student Honor Code System handbook, available in class or from the receptionist in ACC 101.
