Description and Assessment of Assignments

1- YouTube Viewings
Approximately 5x/semester, students will be assigned a short YouTube viewing. These will be posted on Blackboard. We will discuss these viewings in class, and related questions will appear on your Midterm & Final exams.

2- Mid-semester Self-evaluation (due via Turnitin, Monday, October 8)
Students will write a thoughtful, detailed reflection on their experience of the course – regarding what happens within class time, as well as how ballet practice might affect activities or physical awareness outside of class. You may address challenges, areas of improvement, questions, and insights. You may relate our work in the class to experiences that you’ve had prior, but please also reflect on how course material might challenge you to think about aspects of movement/performance/embodiment in new ways. Finally, please refer meaningfully to at least one of the required viewings for the course. 2-3 pages; typed & double-spaced. MLA format.

3- Concert Report (due via Turnitin, Wednesday, November 28)
Students will write a short paper (2-3 pages) offering original comments on the content and format of a live dance performance given by USC Kaufman BFA Students in the course of the semester. The paper may be turned in at any point in the semester, but no later than the due date. 2-3 pages; typed & double-spaced. MLA format.

Reservations are recommended for Kaufman School performances. Visit https://kaufman.usc.edu/ for a list of upcoming productions, and to reserve your seat. Reservations go live a few weeks before performance date.

Performance Opportunity:
The Elective Experience: Friday, November 30, 6:30 & 8pm (subject to change)
At the end of the semester, you are invited to perform in The Elective Experience, a concert of works by all of the elective classes at the Kaufman School. Our class will present one work on the program, using material we work on during class time. I encourage you to invite your friends and family to this free concert, and to make their reservations early! The Elective Experience is very popular and will almost certainly sell out.

### Additional Policies:

Attendance is mandatory as most of our work is done in the studio each session. There will be four excused absences allowed. No doctors’ notes are necessary or accepted. No make-up classes are allowed. Tardiness is not tolerated as early warm-ups are critical to preventing injury; the full class time is necessary to complete course training, and tardiness creates a significant disruption to the course work of the other students. Tardiness of 20 minutes or more will constitute an absence. Further, three tardy attendances of less than 20 minutes will also constitute an absence. Because active participation as defined herein is so utterly important to this course, each unexcused absence will count for a 3-point deduction of active participation points.

Phones will not be allowed and should not be visible during class. Texting or internet engagement during class time will result in lowering of your class grade. Your attention during class time is greatly appreciated, and also required.

Please Note: This class takes place at a university committed to equity for all students, where diversity and inclusion are considered critical to the academic environment. In this classroom, free speech is respected, and civil discourse is expected, with a safe learning environment the priority. We will endeavor to use language that is respectful—sometimes being inquisitive and creative, because language changes all the time—particularly when it comes to differences in age, ethnicity, gender identity or expression, race or socioeconomic status. If you have a preferred gender pronoun that is not being used, please advise the professor.
