You must take the exams at the scheduled times. If you are absent during an exam, you will receive a grade zero unless you have a valid reason for your absence, *and* you have discussed it with Prof. Prata *prior* to the exam. Bring your USC ID card to each exam; it may be checked during the exam.

Grading Policy: The final grade of the course is computed using an weighted average of the two midterm exams (each with 25% weight), of the final exam (35% weight), and of the twelve homeworks (their average weighted by 15%).
