**Course Description**
Survey game software development through quality assurance and in-depth analysis of the development cycle with a focus on bug testing systems and methodologies. Use of online bug tracking software (Bugzilla) and offline bug tracking spreadsheets (Excel) with best communication practices to report software problems so they can be fixed by the development team.

**Learning Objectives**
Upon completion of the class, the student will be able to fulfill the job requirements of an entry-level quality assurance tester in the video game industry. In addition, the student will have developed communication skills that will be useful in any industry or endeavor.

**Prerequisite(s):** none
**Co-Prerequisite(s):** none
**Concurrent Enrollment:** none
**Recommended Preparation:** familiarity with playing video games, and the use of email and web browsers. Familiarity with Microsoft Excel a plus.

**Course Notes**
Lecture 1-2 hours per week, lab 2-3 hours per week. Lecture and lab attendance are both mandatory. Assignments are done during lab and are due that day by end of lab. Lecture notes and some links to readings are on Blackboard; assignment instructions are on Blackboard, and assignments are turned in through Blackboard. A guest speaker may come in to augment the lecture and provide a concrete video game industry reality-check.
Technological Proficiency and Hardware/Software Required

Students should be familiar with the use of computers and video games. Classroom computers are provided, with all necessary software. Students may use their own laptops; Microsoft Office is required (and may be downloaded from [http://software.usc.edu](http://software.usc.edu)). Bugzilla is available through a Viterbi/ITP server and run through any web browser.

Required Readings and Supplementary Materials

Course Reader (also may be referred to as "course pack"), available at USC bookstore. It may sometimes be a combined course pack for both ITP230 and ITP391. Title: "Video Game Quality Assurance, Production, Design" or simply "Video Game Quality Assurance." Additional readings may be accessed through Blackboard/ Web Links. Students are further advised to subscribe to GamesIndustry.biz.

Recommended reading:

Description and Assessment of Assignments

You will create PowerPoint presentations, Excel spreadsheets, Access databases, websites in DreamWeaver, and blogs. Graders will use a rubric to assess grade.

The lab assignments will be posted on Blackboard under the “Assignments” section. Each lab will include instructions, a due date, and a link for electronic submission. There will be at least 5 labs assigned, some in multiple parts.

Lab attendance is not mandatory, but there are some software packages that may not be available in non-ITP labs. If you have questions about any of the lab assignments, attend a lab session. Do not send any email to the instructor regarding lab instructions. You are also invited and encouraged to attend the instructor’s office hours for lab-related questions.

You must keep a backup copy of all lab work, including assignments you submit on Blackboard. You are required to save your labs on your laptop, in an email to yourself, or on a website such as [http://www.dropbox.com](http://www.dropbox.com). You will not be able to save your work on the lab computers, but you can save your work on the virtual desktop available from Viterbi at [https://mydesktop.vlab.usc.edu/](https://mydesktop.vlab.usc.edu/)

Achievements

Students earn "achievements" by various means: on-time participation 5 weeks in a row, excellent in-class discussion participation, assisting another student during lab, etc. Achievements are awarded in the form of specially marked playing cards or trading cards. Cards may be traded with other students. A student can combine cards to form special combinations; those card combinations can be turned in to the instructor in exchange for marks upgrades, lateness/absence reduction, etc. Details at [http://sloperama.com/achieve/](http://sloperama.com/achieve/) (content of achievements page are subject to change).
Grading Breakdown
The following percentage breakdown will be used in determining the grade for the course.

<table>
<thead>
<tr>
<th>Assignment</th>
<th>Points</th>
<th>% of Grade</th>
</tr>
</thead>
<tbody>
<tr>
<td>Weekly assignments</td>
<td>1400</td>
<td>50%</td>
</tr>
<tr>
<td>Midterm exam</td>
<td>100</td>
<td>20%</td>
</tr>
<tr>
<td>Final exam</td>
<td>100</td>
<td>20%</td>
</tr>
<tr>
<td>Participation</td>
<td>28</td>
<td>10%</td>
</tr>
<tr>
<td><strong>TOTAL</strong></td>
<td><strong>100%</strong></td>
<td></td>
</tr>
</tbody>
</table>

Grading Scale
Course final grades will be determined using the following scale

- A         95-100
- A-        90-94
- B+        87-89
- B         83-86
- B-        80-82
- C+        77-79
- C         73-76
- C-        70-72
- D+        67-69
- D         63-66
- D-        60-62
- F         59 and below

Assignment Rubrics
In general, points may be deducted for SGP (spelling, grammar, and punctuation) errors unless the student is demonstrably from a non-English-speaking country. Points are also deducted when student disobeys or fails to understand instructions or communication principles covered in lecture or demonstrations.

Assignment Submission Policy
Labs must be submitted on Blackboard. Do not email them to the instructor. It is your responsibility to submit your assignments on or before the due date (due date is normally "same day assigned" - normally Wednesdays). Assignments turned in one day late will have 20% of the total points deducted from the graded score. Assignments turned in two days late will have 50% of the total points deducted from the graded score. After two days, submissions will not be accepted and you will receive a 0.

Grading Timeline
Standard timeline is one week. Notify instructor if grades are not posted within 10 days of assignment due date.

Additional Policies
Attendance is recorded during each lecture and lab. If you are going to be absent from class, email valid excuse to instructor more than one hour prior to class to be counted as present. Athletes likewise must notify instructor in advance of the absence and are still expected to turn in all work. As noted above, assignment is still due on the day of lab, and can be turned in on Blackboard from anywhere in the world with internet access. Only proper businesslike emails accepted.
No make-up exams (except for documented medical or family emergencies) will be offered nor will there be any changes made to the Final Exam schedule.
### ITP230 Course Schedule: A Weekly Breakdown

Precise schedule of class lectures and assignments may vary due to holidays, guest speaker availability, or other unforeseen circumstances.

Statement on Academic Conduct and Support Systems

Academic Conduct:
Plagiarism – presenting someone else’s ideas as your own, either verbatim or recast in your own words – is a serious academic offense with serious consequences. Please familiarize yourself with the discussion of plagiarism in SCampus in Part B, Section 11, “Behavior Violating University Standards” https://policy.usc.edu/scampus-part-b/. Other forms of academic dishonesty are equally unacceptable. See additional information in SCampus and university policies on scientific misconduct, http://policy.usc.edu/scientific-misconduct.

Support Systems:
Student Counseling Services (SCS) - (213) 740-7711 – 24/7 on call
Free and confidential mental health treatment for students, including short-term psychotherapy, group counseling, stress fitness workshops, and crisis intervention. https://engemannshc.usc.edu/counseling/

National Suicide Prevention Lifeline - 1-800-273-8255
Provides free and confidential emotional support to people in suicidal crisis or emotional distress 24 hours a day, 7 days a week. http://www.suicidepreventionlifeline.org

Relationship and Sexual Violence Prevention Services (RSVP) - (213) 740-4900 - 24/7 on call
Free and confidential therapy services, workshops, and training for situations related to gender-based harm. https://engemannshc.usc.edu/rsvp/

Sexual Assault Resource Center
For more information about how to get help or help a survivor, rights, reporting options, and additional resources, visit the website: http://sarc.usc.edu/

Office of Equity and Diversity (OED)/Title IX Compliance – (213) 740-5086
Works with faculty, staff, visitors, applicants, and students around issues of protected class. https://equity.usc.edu/

Bias Assessment Response and Support
Incidents of bias, hate crimes and microaggressions need to be reported allowing for appropriate investigation and response. https://studentaffairs.usc.edu/bias-assessment-response-support/

The Office of Disability Services and Programs
Provides certification for students with disabilities and helps arrange relevant accommodations. http://dsp.usc.edu

Student Support and Advocacy – (213) 821-4710
Assists students and families in resolving complex issues adversely affecting their success as a student EX: personal, financial, and academic. https://studentaffairs.usc.edu/ssa/

Diversity at USC
Information on events, programs and training, the Diversity Task Force (including representatives for each school), chronology, participation, and various resources for students. https://diversity.usc.edu/

USC Emergency Information
Provides safety and other updates, including ways in which instruction will be continued if an officially declared emergency makes travel to campus infeasible, http://emergency.usc.edu

USC Department of Public Safety – 213-740-4321 (UPC) and 323-442-1000 (HSC) for 24-hour emergency assistance or to report a crime.
Provides overall safety to USC community. http://dps.usc.edu
