COURSE DESCRIPTION:

Yoga Therapy is a holistic discipline that combines traditional Yoga techniques with modern science to suit specific needs. This groundbreaking approach is applied in the prevention, treatment or palliative care of a variety of stress-related health conditions or simply to improve overall health and quality of life.

COURSE LEARNING OBJECTIVES:

- To introduce the student to the fundamentals of a Yoga Therapy practice in a safe, supportive and academic environment.
- To learn basic anatomy and physiology from a Yogic and Western perspective
- Analyze the purpose of each of the yoga techniques as they relate to overall health
- Identify the physical, psychological, and psychological benefits of Yoga
- To learn how Yoga Therapy can be used as a key component in the prevention and/or treatment of stress-related disorders such as chronic pain, insomnia, depression, anxiety, obesity, diabetes, heart disease and high blood pressure

PHYSICAL EDUCATION PROGRAM OBJECTIVES:

Students will understand the importance of sound health and fitness principles as they relate to better health and will be able to:

- Recognize the physical and mental benefits of increased activity.
- Understand anatomy, basic biomechanical principles and terminology.

Students will be exposed to a variety of activities providing them the opportunity to:

- Apply learned fundamental skills.
- Empower themselves by setting and working toward realistic individual goals.
- Participate in a motivating and nurturing environment resulting in greater sense of well-being & self-esteem.
- Participate in active learning to stimulate continued inquiry about physical education, health and fitness.

Students will demonstrate proficiency through knowledge and acquired skills enabling them to:

- Create a safe, progressive, methodical and efficient activity based plan to enhance improvement and minimize risk of injury.
- Identify common health & fitness myths along with trends involved with the evolving nature of physical education.
- Develop an appreciation of physical activity as a lifetime pursuit and a means to better health.

COURSE REQUIREMENTS:

1. Attend Class Daily
2. Participate in Class Workouts
3. Complete Assignments
4. Complete Midterm
5. Take Final Exam

ACADEMIC ACCOMODATIONS:

Students requesting academic accommodations based on disability are required to register with Disability Services and Programs (DSP) each semester. A letter of verification for approved accommodations can be obtained from DSP when adequate documentation is filed. Please be sure the letter is delivered to me as early in the semester as possible. DSP is open Monday – Friday, 8:30am – 5:00pm. The office is in the Student Union 301 and the phone number is (213) 740-0776.

PARTICIPATION:

Regular participation is required and is a large component of your final grade. Tardiness and/or leaving early will not be tolerated as it disrupts the class and practice. If you are late or leave early, you will only receive partial credit for attending the class. You will be expected to attend the section for which you are enrolled. Make-ups are only allowed for emergency situations and then only upon approval from instructor. Make-up absences may only take place in sections of the same class with the same instructor. *You are not permitted to make-up absences in another instructor's section. ***Extra credit work and make-up work are not available unless noted by instructor. Midterm and Final make-ups are only available in emergency situations.** It is your responsibility to attend class consistently and fulfill the requirements of this course.*

EQUIPMENT:

Students must bring their own yoga mat. All additional props will be provided in class: straps, blankets, bolsters, and blocks. Please bring a hand towel and water if needed. **Please return equipment neatly after use** in the storage cabinets in the hall next to the Yoga Room.

GENERAL GUIDELINES FOR PRACTICE & CLASS POLICIES:

- Arrive to class on time.
- Wear clothing that allows freedom of movement. Absorbent, cotton-type material or athletic wear is best. No jeans or street clothes. No shoes or socks are worn during practice; we practice yoga barefoot.
- Avoid practicing yoga on a full stomach to prevent discomfort from performing yoga poses. Wait three hours after a meal or one hour after a light snack.
- **Turn off cell phones.**
- Refrain from talking during practice, unless asked to do so.
- No candy or chewing gum during practice.
- Prior reading of assigned material will be helpful.
- Refer to blackboard for additional handouts and assignments.
- **Notify your instructor of any existing injuries, health problems, and medical conditions – including pregnancy - on the first class meeting. If you develop any new injuries, health problems, and medical conditions and/or become pregnant during the semester, you must inform your instructor. This will be kept STRICTLY confidential.**

LOCKERS:

Locker Rooms are open from 7:30am-3pm M-TH. Purchase locks in PED 107 (PE office). Lockers need to be cleared out the week of the PE Dept. finals. **USC Physical Education IS NOT responsible for any lost, stolen or damaged property.** If you choose to bring any valuables to class, it is strongly recommended that they be locked up during class.
