An assortment of the problems from each homework will be graded. In your solutions, you should give at least a brief explanation where applicable (e.g. for problems whose answer is just yes or no). No homework will be due in the same week as an exam. In order to account for unexpected circumstances, your lowest two homework scores will be dropped.

**Quizzes:** There will be quizzes at the end of Tuesday discussion sessions, which cover the material on the homework that is due Thursday in the same week. There will be no quiz the first week, and no quiz in the same week as an exam. In order to account for unexpected circumstances, your lowest two quiz scores will be dropped.

**Exam Policy:**

- No calculator, cell/smart phone or other electronic device will be allowed during an examination.
- There will be exactly 3 exams. The first two will be held in our regular room and time. The Final will be a cumulative exam, written by the Math Department. It is university policy that no student may take this exam early or be allowed to skip it, so plan your holiday travel appropriately.
- If there is a scheduling conflict for an exam, you must **let ME know (NOT the TA) at least 2 weeks before the examination**. A scheduling conflict must involve an activity sponsored and approved by USC (marching band, athlete event, etc.). In particular, the university club or organization in question must send an official request, with the Deans approval, to all faculty. Personal activities do not qualify. **FAILURE TO ATTEND AN EXAMINATION WILL NOT BE EXCUSED UNDER NO CIRCUMSTANCES.**
