BUAD 281 – INTRODUCTION TO MANAGERIAL ACCOUNTING

Course Syllabus
Fall 2019 Semester – 3 units

Location: ACCT 201
Class Sessions: Monday and Wednesday, 3:30-4:50 pm Section 14527R
Professor: Professor Rose Layton
Office: ACCT 112
Office Phone: (213)740-5022 (prefer email)
Email: rlayton@marshall.usc.edu
Office Hours: Monday and Wednesdays 5-6:30 pm or by appointment

Course Description
This is an introduction to managerial accounting course for undergraduate students whose majors require:

- understanding the impacts management choices have on organizations;
- knowledge of basic management accounting tools, techniques and best practices;
- and the ability to leverage the variety of information the accounting discipline provides managers and organizational decision makers.

The primary focus of the course is the development, presentation and understanding of accounting information useful to a variety of stakeholders when analyzing results and supporting decisions related to: business operations, product costing and overhead application, sales volume and organizational profits, budgeting and planning and organizational/management performance.

Learning Objectives
Upon completion of this course, you should be able to:

- Demonstrate an understanding of the key principles and assumptions used by accountants when providing information to management and other stakeholders by answering questions and solving problems. (Marshall Learning Goal 1a, 1b)
- Analyze the cost, volume and profit relationships of an organization by calculating the contribution margin, breakeven point and target profits given a variety of business scenarios. (Marshall Learning Goal 3a, 3b, 3c, 3d)
- Distinguish between traditional job costing and activity-based costing methodologies and their impact on organizational stakeholders by applying both techniques to business situations and evaluating the results. (Marshall Learning Goal 3a, 3c, 1c)
- Analyze and identify cost information that is relevant for decision makers by recognizing and applying the relevant elements in a variety of decision-making scenarios likely to face professional managers. (Marshall Learning Goal 3a, 3b, 3c)
- Analyze and demonstrate how strategic planning and budgeting processes enhance an organization’s ability to respond to economic changes by preparing elements of the master budget and a flexible budget. (Marshall Learning Goal 1a, 2a, 2b, 2c, 3a, 3b, 3c, 3d)
- Describe and demonstrate appropriate control and performance evaluation metrics in a multi-product, hierarchical organization by analyzing overall and segment performance using rate-of-return, residual income, and non-financial measures. (Marshall Learning Goal 2b, 2c, 3a, 3b, 3c)

To achieve these learning objectives, a combination of background reading, interactive discussion, lecture and practice problems will be utilized. Interactive discussion is very important, as research on learning indicates it is very difficult to gain anything more than a superficial understanding of material without practice and feedback. Therefore, you should expect our class sessions to incorporate a substantial amount of both.
To demonstrate your achievement of the learning objectives stated above: 1) you will be required to demonstrate your knowledge by individually working homework problems and exams; and 2) you may be asked to complete in class group assignments, as indicated in the Course Calendar and on an ad hoc basis at the professor’s discretion.

**Required Materials**

You will need both text and access to McGraw Hill LearnSmart and Connect. Information on how to purchase directly from the publisher will be available through Blackboard. The text can also be purchased through the USC Bookstore.

**Prerequisites:**

BUAD 280 Introduction to Financial Accounting

**Course Notes:**

This course will utilize both Blackboard for course materials such as Power Point slides and McGraw Hill LearnSmart and Connect.

**Grading Policies:**

Your grade in this class will be determined by your relative performance on exams, quizzes, in-class exercises, and a team project. The total class score will be weighted as follows:

<table>
<thead>
<tr>
<th></th>
<th>Possible</th>
<th>Percent</th>
</tr>
</thead>
<tbody>
<tr>
<td>Classroom participation and activities</td>
<td>50</td>
<td>5%</td>
</tr>
<tr>
<td>LearnSmart</td>
<td>50</td>
<td>5%</td>
</tr>
<tr>
<td>Homework</td>
<td>50</td>
<td>5%</td>
</tr>
<tr>
<td>Team Semester Project</td>
<td>100</td>
<td>10%</td>
</tr>
<tr>
<td>Midterm exam #1</td>
<td>200</td>
<td>20%</td>
</tr>
<tr>
<td>Midterm exam #2</td>
<td>250</td>
<td>25%</td>
</tr>
<tr>
<td>Final exam</td>
<td>300</td>
<td>30%</td>
</tr>
<tr>
<td>Total</td>
<td>1000</td>
<td>100%</td>
</tr>
</tbody>
</table>

Note: Historically, the average grade for this class is about a 3.0 (i.e., a “B”). Three items are considered when assigning final grades:

1. Your score for each of the items above weighted by the appropriate factor and summed.
2. Your overall percentage score for the course.
3. Your ranking among all students in the course(s) taught by your instructor during the current semester.

**Assignments and Grading Detail**

Expectations regarding your performance on exams, quizzes, in-class exercises and the team project are as follows:

**Class participation and classroom activities, total points to be earned combined 5% of total:**

We will be doing in-class activities, such as cases or problems, throughout the semester. These activities will have points attached that will count towards this part of your grade.

**LearnSmart and Homework total points to be earned combined 10% of total:**

Readings and homework assignments will consist of questions, exercises and problem solving. These individual reading and homework assignments are to be completed by each student. The readings and
homework assignments are listed in the course calendar, which is part of this syllabus. The homework will be found on Connect. You can find the Assignments that are due on Blackboard under Assignments.

The purpose of these assignments is to help the students to focus on key concepts and to demonstrate their individual learning of these concepts. The individual homework assignments will be auto-graded in Connect. You will be able to check your results in Connect.

I may also post optional assignments on Connect. You can do these if you chose, no points will be assigned to these problems.

**Team Semester Project total 10% of the total:**
The team project has three parts and is explained in class and posted on Blackboard.
Key turn-in dates:
Part 1: Friday, September 13th
Part 2: Friday, October 4
Part 3: Friday, October 22nd
Presentation: Wednesday, October 23rd
Case section competition: Friday, October 25th

**EXAMS total points earned combined 75% of total:**
*Two Midterm Examination: Midterm I (20%) Midterm II (25%) of total points; These are non-cumulative*

- Midterm Examination #1 will be held during your regular class period September 30.
- Midterm Examination # 2 will be held during your regular class period November 13th.

**Final Examination 30% of the total; This is exam is cumulative**
- This exam will be held Wednesday, December 18th from 8am-10 am

Each Examination is to be completed individually. Collaboration with anyone else is strictly prohibited. Students may not use or refer to the textbook or their notes, or to lecture and other class materials during the exam.

Each examination may include multiple choice, problem solving, and logic questions. The exam may include materials covered in class lectures, assigned in required readings, and also from discussions presented during the case assignments. If you have a known schedule conflict for any exam, please discuss it with me immediately. Additionally, if an illness or unforeseen emergency arises, you must contact me as soon as possible.
Other Important Dates for Fall 2019:

**First day of classes:**
   Monday, August 26, 2019

**Last day to add:**
   Friday, September 13, 2019

**Last day to drop without a mark of "W" and receive a refund:**
   Friday, September 13, 2019

**Last day to withdraw without a “W” on transcript or change pass/no pass to letter grade:**
   Friday, October 11, 2019

**Last day to drop with a mark of "W":**
   Friday, November 15, 2019

**End of session:**
   Wednesday, December 18, 2019

**Retention of Graded Coursework**
Final exams and all other graded work which affected the course grade will be retained for one year after the end of the course if the graded work has not been returned to the student. If I returned a graded paper to you, it is your responsibility to file it.

**Technology Policy**
Laptop and Internet usage is not permitted during academic or professional sessions unless otherwise stated by the respective professor and/or staff. Use of other personal communication devices during academic or professional sessions is considered unprofessional and is not permitted. ANY e-devices (cell phones, iPads, other texting devices, laptops, I-pods) must be completely turned off during class time. Upon request, you must comply and put your device on the table in off mode and FACE DOWN. You might also be asked to deposit your devices in a designated area in the classroom. Videotaping faculty lectures is not permitted due to copyright infringement regulations. Audiotaping may be permitted if approved by the professor. Use of any recorded or distributed material is reserved exclusively for the USC students registered in this class. Exceptions to this policy may be granted to individual students with appropriate documentation on a case-by-case basis.

**USC Statement on Academic Conduct and Support Systems**

**Academic Conduct:**
Students are expected to make themselves aware of and abide by the University community’s standards of behavior as articulated in the [Student Conduct Code](https://policy.usc.edu/scampus-part-b/). Plagiarism – presenting someone else’s ideas as your own, either verbatim or recast in your own words – is a serious academic offense with serious consequences. Please familiarize yourself with the discussion of plagiarism in *SCampus* in Part B, Section 11, “Behavior Violating University Standards” [https://policy.usc.edu/scampus-part-b/](https://policy.usc.edu/scampus-part-b/). Other forms of academic dishonesty are equally unacceptable. See additional information in *SCampus* and university policies on scientific misconduct, [http://policy.usc.edu/scientific-misconduct](http://policy.usc.edu/scientific-misconduct).

**Support Systems**
*Student Health Counseling Services* - (213) 740-7711 – 24/7 on call
[engemannshc.usc.edu/counseling](engemannshc.usc.edu/counseling)
Free and confidential mental health treatment for students, including short-term psychotherapy, group counseling, stress fitness workshops, and crisis intervention.

*National Suicide Prevention Lifeline - 1 (800) 273-8255 – 24/7 on call*
suicidepreventionlifeline.org
Free and confidential support to people in suicidal crisis or emotional distress 24 hours a day, 7 days a week.

*Relationship and Sexual Violence Prevention Services (RSVP) - (213) 740-4900 – 24/7 on call*
engemannshc.usc.edu/rsvp
Free and confidential therapy services, workshops, and training for situations related to gender-based harm.

*Office of Equity and Diversity (OED) | Title IX - (213) 740-5086*
equity.usc.edu, titleix.usc.edu
Information about how to get help or help a survivor of harassment or discrimination, rights of protected classes, reporting options, and additional resources for students, faculty, staff, visitors, and applicants. The university prohibits discrimination or harassment based on the following protected characteristics: race, color, national origin, ancestry, religion, sex, gender, gender identity, gender expression, sexual orientation, age, physical disability, medical condition, mental disability, marital status, pregnancy, veteran status, genetic information, and any other characteristic which may be specified in applicable laws and governmental regulations.

*Bias Assessment Response and Support - (213) 740-2421*
studentaffairs.usc.edu/bias-assessment-response-support
Avenue to report incidents of bias, hate crimes, and microaggressions for appropriate investigation and response.

*The Office of Disability Services and Programs - (213) 740-0776*
dsp.usc.edu
Support and accommodations for students with disabilities. Services include assistance in providing readers/notetakers/interpreters, special accommodations for test taking needs, assistance with architectural barriers, assistive technology, and support for individual needs.

*USC Support and Advocacy - (213) 821-4710*
studentaffairs.usc.edu/ssa
Assists students and families in resolving complex personal, financial, and academic issues adversely affecting their success as a student.

*Diversity at USC - (213) 740-2101*
diversity.usc.edu
Information on events, programs and training, the Provost’s Diversity and Inclusion Council, Diversity Liaisons for each academic school, chronology, participation, and various resources for students.

*USC Emergency - UPC: (213) 740-4321, HSC: (323) 442-1000 – 24/7 on call*
dps.usc.edu, emergency.usc.edu
Emergency assistance and avenue to report a crime. Latest updates regarding safety, including ways in which instruction will be continued if an officially declared emergency makes travel to campus infeasible.

USC Department of Public Safety - UPC: (213) 740-6000, HSC: (323) 442-120 – 24/7 on call dps.usc.edu
Non-emergency assistance or information.

Students with Disabilities
USC is committed to making reasonable accommodations to assist individuals with disabilities in reaching their academic potential. If you have a disability which may impact your performance, attendance, or grades in this course and require accommodations, you must first register with the Office of Disability Services and Programs (www.usc.edu/disability). DSP provides certification for students with disabilities and helps arrange the relevant accommodations. Any student requesting academic accommodations based on a disability is required to register with Disability Services and Programs (DSP) each semester. A letter of verification for approved accommodations can be obtained from DSP. Please be sure the letter is delivered to me (or to your TA) as early in the semester as possible. DSP is located in GFS (Grace Ford Salvatori Hall) 120 and is open 8:30 a.m.–5:00 p.m., Monday through Friday. The phone number for DSP is (213) 740-0776. Email: ability@usc.edu.

Emergency Preparedness/Course Continuity
In case of a declared emergency if travel to campus is not feasible, the USC Emergency Information web site (http://emergency.usc.edu/) will provide safety and other information, including electronic means by which instructors will conduct class using a combination of USC’s Blackboard learning management system (blackboard.usc.edu), teleconferencing, and other technologies.

Incomplete Grades
A mark of IN (incomplete) may be assigned when work is not completed because of a documented illness or other “emergency” that occurs after the 12th week of the semester (or the twelfth week equivalent for any course that is scheduled for less than 15 weeks).

An “emergency” is defined as a serious documented illness, or an unforeseen situation that is beyond the student’s control, that prevents a student from completing the semester. Prior to the 12th week, the student still has the option of dropping the class. Arrangements for completing an IN must be initiated by the student and agreed to by the instructor prior to the final examination. If an Incomplete is assigned as the student’s grade, the instructor is required to fill out an “Assignment of an Incomplete (IN) and Requirements for Completion” form which specifies to the student and to the department the work remaining to be done, the procedures for its completion, the grade in the course to date, and the weight to be assigned to work remaining to be done when the final grade is computed. Both the instructor and student must sign the form with a copy of the form filed in the department. Class work to complete the course must be completed within one calendar year from the date the IN was assigned. The IN mark will be converted to an F grade should the course not be completed within the time allowed.

USC Marshall
School of Business

Undergraduate Program Learning Goals and Objectives (last update 12/21/17)

Learning goal 1: Our graduates will demonstrate critical thinking skills so as to become future-oriented problem solvers, innovators and decision makers in diverse and rapidly changing business environments.

- Students will demonstrate the ability to anticipate, identify and solve business problems. They will be able to identify and assess central problems, identify and evaluate potential solutions, and translate a chosen solution to an implementation plan that considers future contingencies.
- Students will demonstrate the ability to be accurate, clear, expansive (thorough, detailed) and fair-minded in their thinking.
- Students will critically analyze concepts, theories and processes by stating them in their own words, understanding key components, identifying assumptions, indicating how they are similar to and different from others and translating them to the real world.
- Students will be effective at gathering, storing, and using qualitative and quantitative data and at using analytical tools and frameworks to understand and solve business problems.
- Students will understand the concepts of critical thinking, entrepreneurial thinking and creative thinking as drivers of innovative ideas.

Learning Goal 2: Our graduates will develop people and leadership skills to promote their effectiveness as business managers and leaders in the 21st century’s evolving work and organizational structures.

- Students will recognize, understand and analyze the roles, responsibilities and behaviors of effective managers and leaders in diverse business contexts e.g., functionally diverse, culturally diverse, geographically diverse, etc.
- Students will understand factors that contribute to effective teamwork including how to elicit, manage and leverage diverse perspectives and competencies.
- Students will recognize, understand, and analyze the motivations and behaviors of stakeholders inside and outside organizations (e.g., teams, departments, consumers, investors, auditors).

Learning Goal 3: Our graduates will be effective communicators to facilitate information flow in organizational, social, and intercultural contexts.

- Students will identify and assess diverse personal and organizational communication goals and audience information needs.
- Students will demonstrate an ability to gather and disseminate information and communicate it clearly, logically, and persuasively in professional contexts.
- Students will understand individual and group communications patterns and dynamics in organizations and other professional contexts.

Learning goal 4: Our graduates will demonstrate ethical reasoning skills, understand social, civic, and professional responsibilities and aspire to add value to society.

- Students will recognize ethical challenges in business situations and assess appropriate courses of action.
- Students will understand professional codes of conduct.

Learning goal 5: Our graduates will develop a global business perspective. They will understand how local, regional, and international markets, and economic, social and cultural issues impact business decisions so as to anticipate new opportunities in any marketplace.

- Students will understand that stakeholders, stakeholder interests, business environments (legal, regulatory, competitor) and business practices vary across regions of the world.
- Students will understand how local, regional and global markets interact and are impacted by economic, social and cultural factors.
Learning goal 6: Our graduates will understand types of markets and key business areas and their interaction to effectively manage different types of enterprises.

- Students will demonstrate foundational knowledge of core business disciplines, including business analytics and business economics
- Students will understand the interrelationships between functional areas of business so as to develop a general perspective on business management
- Students will apply theories, models, and frameworks to analyze relevant markets (e.g. product, capital, commodity, factor and labor markets)
- Students will be able to use technologies (e.g., spreadsheets, databases, software) relevant to contemporary business practices
