French 300 is a process-oriented creative writing workshop. Its goals are to provide you with strategies to write effectively and easily in French, to improve the quality of your written expression: vocabulary, grammatical accuracy, organization of ideas and to help you understand and feel at ease with a variety of writing techniques (narration, description, dialogue) through close-reading of literary model texts.

Required Texts:

Descotes-Genon, L'Exercer. (Presses Universitaires de Grenoble) (GR)
