**Registrar’s Note:** Recommended definition of emergency: “A situation or event which could not be foreseen and which is beyond the student’s control, and which prevents the student from taking the final examination or completing other work due during the final examination period. Also note that as defined above, a student may not request an IN before the end of the twelfth week (or twelfth week equivalent for any course scheduled for less than 15 weeks); the rationale is that the student still has the option to drop the course until the end of the twelfth week (or twelfth week equivalent). The grade of IN exists so there is a remedy for illness or emergency which occurs after the drop deadline.

Marks of IN must be completed within one year from the date of the assignment of the IN. If not completed within the specified time limit, marks of IN automatically become marks of IX (expired incomplete) with the exception of thesis, dissertation, and non-letter-graded courses, and are computed in the GPA as a grade of F (zero grade points). A student may petition the Committee on Academic Policies and Procedures (CAPP) for an extension of time to complete an Incomplete. Extensions beyond the specified time limit are rarely approved, particularly if the student has enrolled in subsequent
