

# COLONIALISM. RACE. RELIGION. CULTURE.

How did these factors influence the encounter of the early Americans?

---

Native Americans

What is "race" and where did it come from?

---

Why do we think of America as a "New World"? "New World" for whom?

---

Europeans

How did religion transform identities and social systems in incalculable ways?

---

How do cultures mix and transform to create entirely new ways of being?
