### **Course Notes**

Class is schedule to meet in the classroom, however some classes will meet outside of the classroom for activity. **Proper athletic attire is required for several classes due to the physical nature of some activities.** Most Wednesday classes will meet in front of the PE building unless otherwise announced by instructor. Please check Blackboard regularly for updates, class notes, powerpoints, and announcements.

**Technological Proficiency Required:** Powerpoint or Prezy for final presentation.

### Required Readings and Supplementary Materials

**Online course reader** is posted on **Blackboard**. Supplemental handouts posted accordingly to topic. Assignments and five handouts will be given only in class.

### Description and Assessment of Assignments

1. **Assignments:** These will be given to you in class. Each assignment correlates with the topic discussed in classes. **All handed in work is to be submitted via e-mial or the link in "Assignments" on Blackboard or TYPED and STAPLED with student NAME on the first page,** unless otherwise noted in directions.
2. **Group Project & Presentation:** Throughout the semester students will be organized in groups and will create a stress-resilience modality and/or presentation through modern technology and social media. The final result of this collaboration will be presented to the class in a 10-20 minute in-class presentation. Any creative media modality may be used. A rubric with criteria is up on Bb prior to the start of presentations. A 1-2 page reflection on the process is required by each team member. The main purpose of this assignment is to create something that may help people, through educating, example, providing resource(s), uplifting someone, serving someone, etc.  
Example options for creation may be, but are not limited to the following:
  - a. Create an App, video game, etc.
  - b. Create a Podcast
  - c. Create a series of 3+ videos on YouTube
  - d. Create an Instagram feed of 20+ posts

3. **Vitality Reflection:** This is a collection of class worksheets, journal entries, assignments, logs, and anything additional which has been helpful for you throughout the semester. These things are to be completed and saved throughout the semester. All of these items will be collected at the END of the semester. **Each student is responsible for their organization and full presentation of material from class.** Portfolio is to be handed in via Blackboard or in a flexible bound booklet. **Due week 14**

- a. **Items include but are not limited to:**
  - i. Class flash writing & reflection questions
  - ii. Handouts
  - iii. Sketches
  - iv. Personal Semester Statement/Reflection
  - v. Journals
  - vi. Meditation, breath, exercise, gratitude logs

## Statement on Academic Conduct and Support Systems

Discrimination, sexual assault, and harassment are not tolerated by the university. You are encouraged to report any incidents to the *Office of Equity and Diversity* <http://equity.usc.edu/> or to the *Department of Public Safety* <http://capsnet.usc.edu/departement/departement-public-safety/online-forms/contact-us>. This is important for the safety whole USC community. Another member of the university community - such as a friend, classmate, advisor, or faculty member - can help initiate the report, or can initiate the report on behalf of another person. *The Center for Women and Men* <http://www.usc.edu/student-affairs/cwm/> provides 24/7 confidential support, and the sexual assault resource center webpage [sarc@usc.edu](mailto:sarc@usc.edu) describes reporting options and other resources.

### Support Systems

A number of USC's schools provide support for students who need help with scholarly writing. Check with your advisor or program staff to find out more. Students whose primary language is not English should check with the *American Language Institute* <http://dornsife.usc.edu/ali>, which sponsors courses and workshops specifically for international graduate students. *The Office of Disability Services and Programs* [http://sait.usc.edu/academicssupport/centerprograms/dsp/home\\_index.html](http://sait.usc.edu/academicssupport/centerprograms/dsp/home_index.html) provides certification for students with disabilities and helps arrange the relevant accommodations. If an officially declared emergency makes travel to campus infeasible, *USC Emergency Information* <http://emergency.usc.edu/> will provide safety and other updates, including ways in which instruction will be continued by means of blackboard, teleconferencing, and other technology.
