

Electronic Synthesizer Techniques, MTEC 474a

Course Syllabus Spring 2021

Instructor:

Timo Preece

E-mail: tpreece@usc.edu

Website: www.gravityterminal.com

Mailbox: TMC 118

Office Hour: TBA by appointment.

Goal:

It is the goal of this course that each student—upon successful completion—gains a working knowledge of electronic synthesizers and the components of the synthesis process (oscillators, filters, envelope generators, etc.) for the creation, shaping, and design of sound.

Required Software:

Steve Duda's **Serum** synthesizer will be our primary tool for this class. Since computer labs are not available, you will need to purchase or rent this synthesizer plug-in.

Serum (Xfer Records)

Full purchase: \$132.20 (30% off for USC students)

[Purchase link](#)

Serum monthly subscription: \$9.99/month through Splice (rent to own, requires Splice membership)

[Splice URL](#)

Required Online Coursework:

www.Syntorial.com Synthesizer training software.

Syntorial includes a fully functional software synthesizer and training software.

Syntorial is **not** installed on the lab computers. **You will need to purchase this software** on your personal laptop, iPad or home computer for your weekly homework assignments.

Promo code: USCSYN (40% off, \$77.99 is your price)

* There will be weekly Syntorial homework exercises with short quizzes*

Hardware Requirements:

You must have headphones or monitors. The department **STRONGLY** recommends the [Sony MDR-7506](#) headphones or similar. They are the standard headphone for all MTEC and MUIN courses. If you plan to take any other courses in these areas, you will need reference headphones.

[Sweetwater's Headphone Buying Guide](#)

I also recommend these options if you can afford to invest a bit more:

[Beyerdynamic DT 770 PRO 250 ohm Closed-back Studio Mixing Headphones](#)

[Focal Spirit Professional headphones](#)

Additional Resources:

Rick Schmunk has a great beginning Serum course. Definitely worth checking out if you want to review or get a little ahead during the semester. <https://www.linkedin.com/learning/learning-serum/wavetable-oscillators?u=76870426>

Communication and Online Materials:

Please make it a habit to check your USC email account. If you do not regularly use that account, make sure you have it forwarded to the account you do use. Any emails I send to the class will use the USC email account. All course materials, including slides, audio examples, handouts, and assignments, as well as class grades will be available in Blackboard (<https://blackboard.usc.edu>). Be sure to check Blackboard if you have to miss a class. You are responsible for any materials presented and assignments made even if you are not in class that day.

Grade Breakdown:

- Assignments and Patches 45%
- Online Reading Quizzes 15%
- Midterm Exam 20%
- Final Exam 20%

Sharing of course materials outside of the learning environment

USC has a policy that prohibits sharing of any synchronous and asynchronous course content outside of the learning environment. Please do not share or otherwise distribute class materials, music scores or recordings produced by me or any students in the conduct of this course without expressed permission.

SCampus Section 11.12(B)

Distribution or use of notes or recordings based on university classes or lectures without the express permission of the instructor for purposes other than individual or group study is a violation of the USC Student Conduct Code. This includes, but is not limited to, providing materials for distribution by services publishing class notes. This restriction on unauthorized use also applies to all information, which had been distributed to students or in any way had been displayed for use in relationship to the class, whether obtained in class, via email, on the Internet or via any other media. (See Section C.1 Class Notes Policy).

Zoom etiquette

I expect you to demonstrate your presence and participation in class by your being on camera in all Zoom sessions. If you will be unable to keep your camera on during the synchronous Zoom session, please contact me prior to the class session to discuss.

USC technology rental program

We realize that attending classes online and completing coursework remotely requires access to technology that not all students possess. If you need resources to successfully participate in your classes, such as a laptop or internet hotspot, you may be eligible for the university's equipment rental program or other assistance. To apply, please [submit an application](#) on the Student Basic Needs portal.

Academic Conduct

Plagiarism – presenting someone else's ideas as your own, either verbatim or recast in your own words – is a serious academic offense with serious consequences. Please familiarize yourself with the discussion of plagiarism in SCampus in Part B, Section 11, "Behavior Violating University Standards" policy.usc.edu/scampus-part-b. Other forms of academic dishonesty are equally unacceptable. See additional information in SCampus and university policies on scientific misconduct, policy.usc.edu/scientific-misconduct.
