GENERAL GUIDELINES FOR PRACTICE & CLASS POLICIES:

- Wear clothing that allows freedom of movement. Absorbent, cotton-type material or athletic wear is best. No jeans or street clothes. No shoes or socks are worn during practice; we practice yoga barefoot. Please remove all hats prior to entering yoga studio.
- It is recommended that you avoid practicing yoga on a full stomach to prevent discomfort from performing yoga poses. Wait 2-3 hours after a meal or one hour after a light snack.
- **Turn off cell phones.**
- Refrain from talking during practice, unless asked to do so.
- No candy or chewing gum during practice.
- **Notify your instructor of any existing injuries, health problems, and medical conditions – including pregnancy - on the first class meeting. If you develop any new injuries, health problems, and medical conditions and/or become pregnant during the semester, you must inform your instructor.**
- **NO LATE WORK ACCEPTED**

ATTENDANCE: Because this is a Physical Education course, regular attendance is required for the participation portion of the grade, and is a large component of your final grade. Tardiness and/or leaving early will not be tolerated as it disrupts the class and practice – this is especially true of 50-minute class sections. If you are late or leave early, you will only receive partial credit for attending the class. You will be expected to attend the section for which you are enrolled. Make-ups are not allowed except for emergency situations and then only upon approval from instructor.

****Extra credit work and make-up work are not available unless noted by instructor. You are not permitted to make-up absences in another section. You cannot make-up the Midterm and Final. It is your responsibility to attend class consistently and fulfill the requirements of this course.***

Academic Integrity

USC seeks to maintain an optimal learning environment. General principles of academic honesty include the concept of respect for the intellectual property of others, the expectation that individual work will be submitted unless otherwise allowed by an instructor, and the obligations both to protect one's own academic work from misuse by others as well as to avoid using another's work as one's own. All students are expected to understand and abide by these principles. SCampus, the Student Guidebook, contains the University Student Conduct Code (see University Governance, Section 11.00), while the recommended sanctions are located in Appendix A.
