## **Course Description**

This course explores the components of a comprehensive actor training method employing voice, speech and acting which rigorous physical movement anchors. The student will strengthen the body and voice. Specific focus is on training the actor's physical instrument emphasizing observation techniques, alignment principles and assessment of learned habits inhibiting the physical choices made in the students acting. This class introduces the incorporation of behavioral, environmental and spatial influences as they relate to the actor's craft.

## **Learning Objectives**

Upon completion of studies in 215a:

- 1. The student will have undertaken three physically transformative characterization efforts where they are able to differentiate structural and behavioral traits of character from their own.
- 2. The student will have researched, acquired objects and/or constructed the physical components of the environment for each text that is the source of their characterizations and performed excerpts in these environments.
- 3. The student will have, in written form, utilized the movement vocabulary introduced in 115a, b and 215a to observe, analyze and hypothesize the causal principles of physical communication that completes meaning when speaking text.

# **Learning Aspirations**

- 1. To cultivate a pervasive "questioning" state of mind predicated on a commitment to taking responsibility for one self.
- 2. To develop a process through which one can break inhibiting habitual movement patterns in order to allow unencumbered choice, conscious control, and spontaneity in movement.
- 3. To recognize the importance of and exhibit competency in determining the necessary behavioral, environmental and spatial choices as they relate to:
  - a. The "reality of doing" principle.

- b. Making of "meaning" through movement (story and relationship connotations).
- c. The active pursuit of character objective within a text.
- d. History, period and style.
- e. Integration of the mechanics of movement into performance.

Prerequisite(s): THTR 115A, THTR 115B

## **Description of Assignments**

- **CLASSWORK** Various out-of-class observation assignments will be given throughout semester as necessary for class work. (Assessment: Formative) *Due as listed on the Course Schedule: Weekly Breakdown (see below).*
- **JOURNAL** Keep a movement observation journal. (Assessment: Summative) *Due: Mon., Dec. 13<sup>th.</sup>*

In addition to class notes and other acquired pertinent information to your movement study the journal has 2 components:

- 1. Personal Observation & Assessment of your movement discoveries, difficulties and questions.
- 2. Documentation of Rock Star case study (see below)
- MOVEMENT VOCABULARY. Assessment of your command of the movement vocabular. (Assessment: Summative) Mon., Nov 30<sup>th</sup>.

• MIRROR PROCESS MONOLOGUE Choose a physically challenging monologue. Then find an iconic image that provides inspiration. (Bring a picture of a full figure, not just the face or torso. The setting should be indicative of the world of play). (Assessment: Formative)

- o **Bring to class on Mon., Sept.13**th. Provide two hard copies of the text (one is for me to keep) and your iconic image. (Keep in mind you must be able to bring this picture with you to class every day for the duration of this unit).
- Icon inspired/Mirror Process monologues presented in class.
   (Assessment: Formative) First sharing: Sept 27<sup>th</sup>.
- Present Mirror Process Monologue. (Assessment: Summative)
   Due: Oct. 11<sup>th</sup> and 13<sup>th</sup>.
- **ROCKSTAR.** Select a Rock (or Music) Icon of your choice. Find an individual who will hold a fascination for you throughout the semester. By viewing and studying varied documentation of this performer; observe, analyze and assess their movement, gestures and physical presence on an ongoing basis throughout the semester. Look to compare and contrast between the individual's "pedestrian" and "performance" life. The aim of this extended movement study is to exactly replicate the iconic persona of the individual to be demonstrated in a lip sync performance performed by you at the end of the semester. Document the progress of your replication journey in your journal (see above).
  - Rock Star Briefings. In class viewing of your iconic source material and share your Mirror Process Analysis. (Assessment: Formative) Due: Oct. 4<sup>th</sup> & 6<sup>th</sup>.
  - o Rock Star Performed (Assessment: Summative) Wed., Dec.1<sup>st</sup>.
- PAPER #1 (description below). Due: Wed. Oct. 13<sup>th</sup>.
- **PAPER #2** (description below) Due: **Wed., Dec**.1<sup>th</sup>.
- FINAL SCENE
  - Scene Partners will be assigned. Begin work on Final scenes (Assessment: Formative) Oct. 18<sup>th</sup>
  - o First Share. (Assessment: Formative) **Nov.8<sup>th</sup>.**
  - Observed rehearsals of final scenes (Assessment: Formative) Nov. 10<sup>th</sup>, 15<sup>th</sup>, 17<sup>th</sup> and 22<sup>nd</sup>.
  - Final Exam scene presentation and Journal Due. (Assessment: Summative) *Mon.*, *Dec.13*<sup>th</sup>, *8-10a.m.*

# **Written Assignments**

Paper #1

(Assessment: Summative) After viewing The Wolves (10/3 through 10/6 in MCC), The Normal Heart (10/7 through 10/10 in the Scene Dock), and Body Of Faith (10/7 through 10/10 in the Bing Theatre) choose one of the performances and discuss the physical world created by the ensemble. Think in terms of material introduced, discussed and experienced in class. I'm especially looking for your observations regarding physical

characterization and the actors' use of physical environment as a storytelling tool and exercising the movement vocabulary you are acquiring in the Movement trajectory of your BFA program. The paper should be three to five pages in length. **Due: Wed., Oct. 13**<sup>th</sup>.

Paper #2

(Assessment: Summative) Attend Spring Awakening (11/15-11/18 in MCC), The Seagull (11/4-11/7 in PED 207, Everybody (10/25 - 10/28 in MCC), Stupid F\*\*\*ing Bird (11/11-11/14 and11/18-11/21 in the Scene Dock) and Everybody (11/18-11/21 in MCC). Choose one and write a proposed alternative physical approach (character based and environmental/spatial) that you think would serve another production of the play. This exercise is to encourage lateral possibility in physical approach to any text. Assess and articulate the approach taken physically in the production and using your growing knowledge of 215a physical principles, imagine and then propose an alternative approach that could be just as effective. As in paper #1, utilize our movement vocabulary from your BFA movement trajectory. **Due: Wed., Dec. 1**st.

# **Grading Criteria and Assessment of Assignments**

### Classroom Rules

- Students must dress in movement attire. To maximize safety and learning potential, it is utmost importance to be able to observe physical technique and form during movement vocabulary. Sweats, yoga pants, gym shorts etc. are appropriate. Attire should be fitted to avoid saggy, baggy or loose attire that can "catch" during the work. Also be mindful that the movement attire provides the necessary coverage for unencumbered participation in physical activity. <u>No</u> Jeans. No belts. Bare feet preferred. A towel is recommended.
- No food, coffee, tea, soda allowed in the studio. Bottled water is welcome and recommended.
- Character studies and scenes require attire and props to support movement choices and to define the physical world as specified by the text (see "Goody Bag" addendum to syllabus). There will be no miming of the physical elements of the work. The *reality of doing principle* is paramount in Movement II.
- Cell phones are to be turned off and put away for the duration of class.
- Electronic capture of any portion of class is strictly prohibited without prior approval of the instructor.

#### Notes from the Instructor

- The principles introduced in Movement II are processes that take time to absorb and understand
- Do not become impatient
- Remain positive and curious about the work
- Remember the results are not instantaneous
- Your commitment to a physically oriented process is of much greater importance than definitive result
- Resist judgment and expectation of any specific outcome
- Explore
- Play
- Be fearlessly inventive within the parameters given
- Each student works and learns in a unique manner

# EDI @SDA: Professional Development/Mandatory EDI Training Wednesday, September 15, 2021

As part of our EDI initiatives and call to action, some workshops will be offered to faculty and staff and to students. Competencies that will be included: Anti-Racism (Faculty/Staff) and Equity Mindedness (Faculty/Staff), and then Theater Intimacy & Building Cultures of Consent (Students, Faculty/Staff). More details will follow. NOTE: All SDA classes will be cancelled to support involvement in this effort.

## SDA PRODUCTIONS, ISPS, AND EXTRACURRICULAR ACTIVITIES

SDA productions, ISPs and Extracurricular Activities\* will not excuse you from any class work. There will be no exceptions made for absences in class, missed or delayed assignments, homework or lack of class participation resulting from your involvement in any of the above. Your grade will reflect your work in this class, independent from work in any other class or activity.

\*Activities that have been officially sanctioned by the larger university (such as marching band, song girls, or varsity sports) are exempt. You must submit official documentation to your professor regarding your participation in an event prior to your absence.

## **Statement on Academic Conduct and Support Systems**

#### **Academic Conduct:**

Plagiarism – presenting someone else's ideas as your own, either verbatim or recast in your own words – is a serious academic offense with serious consequences. Please familiarize yourself with the discussion of plagiarism in *SCampus* in Part B, Section 11, "Behavior Violating University Standards" policy.usc.edu/scampus-part-b. Other forms of academic dishonesty are equally unacceptable. See additional information in *SCampus* and university policies on scientific misconduct, http://policy.usc.edu/scientific-misconduct.

## **Statement for Students with Accessibility Requirements**

Any student requesting academic accommodations based on a disability is required to register with *The Office of Student Accessibility Services (OSAS)*. A letter of verification for approved accommodations can be obtained from OSAS. Please be sure the letter is delivered to me as early in the semester as possible. OSAS is located in STU 301 and is open 8:30 a.m.—5:00 p.m., Monday through Friday. Website for OSAS and contact information: (213) 740-0776 (Phone), (213) 740-6948 (TDD only), (213) 740-8216 (FAX) ability@usc.edu.

#### **Emergency Preparedness/Course Continuity in a Crisis**

In case of a declared emergency if travel to campus is not feasible, USC executive leadership will announce an electronic way for instructors to teach students in their residence halls or homes using a combination of Blackboard, teleconferencing, and other technologies. See the university's site on Campus Safety and Emergency Preparedness.

### **Health and Participation in Class**

You are expected to complete your Trojan Check screener daily and, as your instructor, I may ask you to show your daily screening in class. Your health and safety, and the health and safety of your peers, are my top priorities. If you are experiencing any symptoms of COVID-19, or if you discover that you have been in close contact with others who have symptoms or who have tested positive, you must follow the instructions on Trojan Check. My hope is that if you are feeling ill or if you have been exposed to someone with the virus, you will stay home to protect others. I will ensure that you can continue to participate in class remotely so that your education is not disrupted.

To reduce the spread of COVID-19, USC requires that face coverings (masks) be worn indoors including in classrooms. Face coverings must cover your nose and mouth and be worn throughout the class session. A mask with a valve is not considered an adequate face covering and should not be used, as it can expel exhaled air, increasing the risk to others. Eating or drinking during class is prohibited because of the risk posed by removing your mask for these activities. Failure to comply with these requirements will result in your being asked to leave the classroom immediately. Requests for accommodations related to the face covering and eating/drinking policies should be directed to the Office for Student Accessibility Services (<a href="https://osas.usc.edu/">https://osas.usc.edu/</a>).

### **SDA Student Support & Reporting Form:**

To facilitate a supportive environment of accountability, SDA has created an internal system of reporting for students to address issues/concerns and to offer feedback or suggestions for improvement. This mechanism provides a pathway for reporting and offering feedback without fear of retaliation or judgment. Any submission filed through this form will be reviewed and processed accordingly through SDA Office of Equity, Diversity, and Inclusion.
