ISE 559: Introduction to Data Management
3 Units

Day/Time: Wednesdays, 4:00PM – 6:50PM
Location: SAL 101

Instructor: Bruce Wilcox
Office: GER 203
Office Hours: Tuesdays, 1:30PM – 3:00PM GER 203
Thursdays, 2:00PM – 3:30PM GER 206
See Piazza for any updates

Catalog Description

Introduction to technologies and disciplines used to collect, integrate, clean, and otherwise prepare data into a well-structured, controlled, documented, and understood analytic-ready dataset.

Learning Objectives and Outcomes

- Develop an advanced level of proficiency with all the activities associated with managing data with an emphasis on data preparation for analytics.
- Primary focus areas of the class are developing proficiency in the use of Structured Query Language (SQL), data modeling, and DataMart implementation (data integration, cleaning, reduction, and enhancement).
- Gain an understanding of cost performance alternative for data storage and data management.
- Understand and apply data management techniques to improve the quality and correctness of data driven decisions based on analytic results.

Class Delivery Mode: This class will be conducted in a hybrid mode. While the primary mode is in-person lectures, it is possible to take this class remotely via Zoom. However, the mid-term and final exams must be taken in person.

Prerequisite(s): None

Recommended Preparation: ISE 225 (Engineering Statistics I) or equivalent, working knowledge of Python.

Course Notes: All course materials (PowerPoints, assigned readings, etc.) will be distributed via Blackboard.
Technological Proficiency and Hardware/Software Required

Modules 3 and 4 will make significant use of the SQL database language. We will be using a modern cloud-based database/data warehouse environment from Snowflake for this purpose. You will be provided with free accounts at the beginning of Module 3. Module 5 will also involve some limited use of the Python programming language and two of its key data science packages (NumPy and Pandas) in the Jupyter Notebook development environment. These are all open source and can be downloaded by the student for no cost.

Required Readings and Supplementary Materials

There are no mandatory texts for this class. It is intended that the PowerPoint materials presented in class cover all the content required. However, students are encouraged to consult the texts that the material is based on for clarification and elaboration.

The material in the course is primarily drawn from the following texts:

- Additional resources to be announced

Course Overview and Schedule

The course is structured into five modules that correspond to the lifecycle of data starting from the source data structures and formats through the process of extracting the data and consolidating it into data warehouses and creating analytic DataMarts suitable for subsequent analytics activities. Readings will be assigned prior to each module.

Grading Breakdown

Grading will be based on four primary components:

- 8-10 homework assignments (approx. one per week) - 50% of final grade
- Mid-term exam (in class) – 20% of final grade (covering Modules 1 – 4)
- Final exam - 30% of final grade
Grading Scale
Course final grades will be determined using the following scale

<table>
<thead>
<tr>
<th>Grade</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>95-100</td>
</tr>
<tr>
<td>A-</td>
<td>90-94</td>
</tr>
<tr>
<td>B+</td>
<td>87-89</td>
</tr>
<tr>
<td>B</td>
<td>83-86</td>
</tr>
<tr>
<td>B-</td>
<td>80-82</td>
</tr>
<tr>
<td>C+</td>
<td>77-79</td>
</tr>
<tr>
<td>C</td>
<td>73-76</td>
</tr>
<tr>
<td>C-</td>
<td>70-72</td>
</tr>
<tr>
<td>D+</td>
<td>67-69</td>
</tr>
<tr>
<td>D</td>
<td>63-66</td>
</tr>
<tr>
<td>D-</td>
<td>60-62</td>
</tr>
<tr>
<td>F</td>
<td>59 and below</td>
</tr>
</tbody>
</table>

Up to two points may be added to the overall grade based on class engagement.

Assignment Submission Policy
Assignments will be posted on Blackboard and submitted for grading on GradeScope (student instructions will be provided)

Timeline and Rules for Submission
- Homework assignments will be posted on or shortly after each weekly class and will be due one week after posted
- All assignments must be submitted prior to the due date
- You get one “free” late submission per semester. After that, there is a 10% penalty for late homework submitted within 48 hours of due date
- No submissions will be accepted after 48 hours
- The lowest homework grade will be dropped
Course Schedule: A Weekly Breakdown

Notes:
- This schedule is subject to change throughout the semester. This syllabus will not be updated, but the latest schedule will always be available on Piazza.
Statement on Academic Conduct and Support Systems

Academic Conduct:

Plagiarism – presenting someone else’s ideas as your own, either verbatim or recast in your own words – is a serious academic offense with serious consequences. Please familiarize yourself with the discussion of plagiarism in SCampus in Part B, Section 11, “Behavior Violating University Standards” policy.usc.edu/scampus-part-b. Other forms of academic dishonesty are equally unacceptable. See additional information in SCampus and university policies on scientific misconduct, policy.usc.edu/scientific-misconduct.

Discrimination, sexual assault, and harassment are not tolerated by the university. You are encouraged to report any incidents to the Office of Equity and Diversity http://equity.usc.edu or to the Department of Public Safety http://capsnet.usc.edu/department/department-public-safety/online-forms/contact-us. This is important for the safety of the whole USC community. Another member of the university community – such as a friend, classmate, advisor, or faculty member – can help initiate the report, or can initiate the report on behalf of another person. The Center for Women and Men http://www.usc.edu/student-affairs/cwm/ provides 24/7 confidential support, and the sexual assault resource center webpage http://sarc.usc.edu describes reporting options and other resources.

Support Systems:

Student Health Counseling Services - (213) 740-7711 – 24/7 on call engemannshc.usc.edu/counseling
Free and confidential mental health treatment for students, including short-term psychotherapy, group counseling, stress fitness workshops, and crisis intervention.

National Suicide Prevention Lifeline - 1 (800) 273-8255 – 24/7 on call suicidepreventionlifeline.org
Free and confidential emotional support to people in suicidal crisis or emotional distress 24 hours a day, 7 days a week.

Relationship and Sexual Violence Prevention Services (RSVP) - (213) 740-4900 – 24/7 on call engemannshc.usc.edu/rsvp
Free and confidential therapy services, workshops, and training for situations related to gender-based harm.

Office of Equity and Diversity (OED) | Title IX - (213) 740-5086 equity.usc.edu, titleix.usc.edu
Information about how to get help or help a survivor of harassment or discrimination, rights of protected classes, reporting options, and additional resources for students, faculty, staff, visitors, and applicants. The university prohibits discrimination or harassment based on the following protected characteristics: race, color, national origin, ancestry, religion, sex, gender, gender identity, gender expression, sexual orientation, age, physical disability, medical condition, mental disability, marital status, pregnancy, veteran status, genetic information, and any other characteristic which may be specified in applicable laws and governmental regulations.

Bias Assessment Response and Support - (213) 740-2421 studentaffairs.usc.edu/bias-assessment-response-support
Avenue to report incidents of bias, hate crimes, and microaggressions for appropriate investigation and response.
The Office of Disability Services and Programs - (213) 740-0776
dsp.usc.edu
Support and accommodations for students with disabilities. Services include assistance in providing
readers/notetakers/interpreters, special accommodations for test taking needs, assistance with architectural barriers,
assistive technology, and support for individual needs.

USC Support and Advocacy - (213) 821-4710
studentaffairs.usc.edu/ssa
Assists students and families in resolving complex personal, financial, and academic issues adversely affecting their success
as a student.

Diversity at USC - (213) 740-2101
diversity.usc.edu
Information on events, programs and training, the Provost’s Diversity and Inclusion Council, Diversity Liaisons for each
academic school, chronology, participation, and various resources for students.

USC Emergency - UPC: (213) 740-4321, HSC: (323) 442-1000 – 24/7 on call
dps.usc.edu, emergency.usc.edu
Emergency assistance and avenue to report a crime. Latest updates regarding safety, including ways in which instruction
will be continued if an officially declared emergency makes travel to campus infeasible.

USC Department of Public Safety - UPC: (213) 740-6000, HSC: (323) 442-120 – 24/7 on call
dps.usc.edu
Non-emergency assistance or information.
