Sculpture 1

Fall 2022

4 Units No Prerequisite Req.
Instructor: Ruben Ochoa

TU/TH 3-5:40pm

This studio course is an introduction to ideas and forms in contemporary sculpture. Students learn how to use tools in the wood shop and are introduced to plaster, construction with fabrics, and soldering. The class focuses on the production of individual sculptures, class critiques along with lectures and presentations; students learn about the conceptual and material processes that generate sculpture.
