

A woman with short, vibrant blue hair is shown in profile, looking intently at a large computer monitor. She is wearing a thick, textured, multi-colored knit sweater. The room is dimly lit, with the primary light source being the blue glow of the computer screen, which displays a complex software interface with various data points and graphs. The background is out of focus, showing what appears to be a window with blurred lights from outside. The overall mood is one of concentration and technical work.
