Course Description

This course introduces the basic concepts of functions and graphs, including polynomials and rational functions as well as exponential and logarithmic functions. We will also cover systems of linear equations and matrices.

Learning Objectives

The goal of this course is to introduce students to the basic concepts of functions that can be used to model and solve real world phenomena and problems that arise in business and economics.

Prerequisite(s): Math 040

Required Readings and Supplementary Materials

Required: Precalculus, Version $\lfloor \pi \rfloor = 3$, Corrected Edition by Carl Stitz and Jeff Zeager Freely available online at http://stitz-zeager.com/.

Description and Assessment of Assignments

Students are expected to complete regular problem sets that reinforce topics covered. There will be in-class assessments on Sept 13, Oct 11, and Nov 8 and a final on Friday Dec 8.

Grading Breakdown

Assignment	% of Grade
Participation	5%
Homework	10%
Assessment 1	20%
Assessment 2	20%
Assessment 3	20%
Final Exam	25%

Assignment Submission Policy

Homework will be posted on Blackboard is to be submitted via Gradescope.

Additional Policies

Each Assessment will be administered once in lecture and twice as a Re-Assessment in discussion. Any student may choose to re-assess a previously taken exam. The recorded score for the Assessment will be the highest score attained on any of the three opportunities to take that assessment.

Statement on Academic Conduct and Support Systems

Academic Conduct:

Plagiarism – presenting someone else's ideas as your own, either verbatim or recast in your own words – is a serious academic offense with serious consequences. Please familiarize yourself with the discussion of plagiarism in SCampus in Part B, Section 11, "Behavior Violating University Standards" <u>policy.usc.edu/scampus-part-b</u>. Other forms of academic dishonesty are equally unacceptable. See additional information in SCampus and university policies on Research and Scholarship Misconduct.

Students and Disability Accommodations:

USC welcomes students with disabilities into all of the University's educational programs. The Office of Student Accessibility Services (OSAS) is responsible for the determination of appropriate accommodations for students who encounter disability-related barriers. Once a student has completed the OSAS process (registration, initial appointment, and submitted documentation) and accommodations are determined to be reasonable and appropriate, a Letter of Accommodation (LOA) will be available to generate for each course. The LOA must be given to each course instructor by the student and followed up with a discussion. This should be done as early in the semester as possible as accommodations are not retroactive. More information can be found at osas.usc.edu. You may contact OSAS at (213) 740-0776 or via email at osas.rontdesk@usc.edu.

Support Systems:

Counseling and Mental Health - (213) 740-9355 – 24/7 on call

studenthealth.usc.edu/counseling

Free and confidential mental health treatment for students, including short-term psychotherapy, group counseling, stress fitness workshops, and crisis intervention.

National Suicide Prevention Lifeline - 1 (800) 273-8255 – 24/7 on call

suicidepreventionlifeline.org

Free and confidential emotional support to people in suicidal crisis or emotional distress 24 hours a day, 7 days a week.

Relationship and Sexual Violence Prevention Services (RSVP) - (213) 740-9355(WELL), press "0" after hours – 24/7 on call

studenthealth.usc.edu/sexual-assault

Free and confidential therapy services, workshops, and training for situations related to gender-based harm.

Office for Equity, Equal Opportunity, and Title IX (EEO-TIX) - (213) 740-5086 eeotix.usc.edu

Information about how to get help or help someone affected by harassment or discrimination, rights of protected classes, reporting options, and additional resources for students, faculty, staff, visitors, and applicants.

Reporting Incidents of Bias or Harassment - (213) 740-5086 or (213) 821-8298 usc-advocate.symplicity.com/care report

Avenue to report incidents of bias, hate crimes, and microaggressions to the Office for Equity, Equal Opportunity, and Title for appropriate investigation, supportive measures, and response.

The Office of Student Accessibility Services (OSAS) - (213) 740-0776 osas.usc.edu

OSAS ensures equal access for students with disabilities through providing academic accommodations and auxiliary aids in accordance with federal laws and university policy.
