

INSIDE STORY

Creative Development for Animation

CTAN 510

SPRING 2024, 2 UNITS

With Abram Makowka, Emmy Award-winning creator of animated television, Adjunct Associate Professor, John C. Hench Division of Animation + Digital Arts

Develop a creative pitch for an original animated series or film. Practice storytelling fundamentals and live pitching. Learn about current industry expectations as they apply to your creative work.

Special guests will include network and studio executives, produced creators, writers, artists and directors working in animation today.
