Physical Education & Mind Body Health (PMBH) Mission

Physical Education & Mind Body Health (PEMBH) provides a variety of opportunities for students to improve their general health and fitness through fitness related and recreational activities classes. Courses are designed to introduce students to various aspects of health and physical education principles. With this exposure, knowledge, and skill, students are better equipped to make choices regarding a healthy and active lifestyle. All classes stress the importance of exercise and leisure time activity to physical, mental, and social well-being.

COURSE DESCRIPTION:

An introductory volleyball class emphasizing the development of beginning volleyball skills in each aspect of the game: passing, setting, hitting, blocking, digging, and serving. To become knowledgeable of the rules of the game, tactics, and various offensive/defensive strategies. ONE ACADEMIC UNIT OF CREDIT, NO PREREQUISITE

COURSE OBJECTIVES:

1. Demonstrate the skills required to play volleyball: pass, set, hit, block, dig and serve.
2. Interpret and exhibit the rules, offenses, defenses, scoring and understanding of volleyball.
3. Develop fundamental volleyball skills and knowledge in actual match play.
4. Recognize the significance of participation in volleyball as a lifetime sport.
5. Identify various offenses and defenses used and their purpose in volleyball.

PHYSICAL EDUCATION & MIND BODY HEALTH OBJECTIVES:

Students will understand the importance of sound health and fitness principles as they relate to better health and will be able to:

- Understand anatomy, basic bio mechanical principles and terminology.
- Determine factors involved with development, fitness levels and training strategies.

Students will be exposed to a variety of activities providing them the opportunity to:

- Apply learned fundamental skills.
- Utilize physical activity as a tool to manage stress.

Students will demonstrate proficiency through knowledge and acquired skills enabling them to:

- Understand and utilize various training methods.
- Assess individual levels of fitness components.
- Identify common health and fitness myths along with trends involved with the evolving nature of physical education

COURSE MATERIALS:

Course Material will be provided on Brightspace: <http://brightspace.usc.edu>

Optional: Kluka, D. and Dunn, Jr. P. (2000) Volleyball, 4th Ed. McGraw-Hill Co.

CLASS LOCATION:

Classes will meet in the Physical Education Building in room 210 / South Gym, which is on the second floor.

DRESS ATTIRE:

Please dress in appropriate workout attire (athletic clothes & shoes), and bring water, snack, notebook and pen. Note:

Please do not wear your volleyball shoes to class, but rather bring them with you and put them on in the gym. This will help keep the gym floor clean and not slippery with dirt and dust from outside. Thank you!

PARTICIPATION/PERFORMANCE:

Physical fitness improvements require consistent and active participation in all class activities, which is a determinant and component of your final grade. Arriving late, leaving early, and wearing inappropriate workout attire will affect the participation portion of the grade. In case of absence, you will be held accountable for all work/ skills missed.

ADDITIONAL POLICY:

USC PEMBH is NOT responsible for any lost, stolen, or damaged property. If you choose to bring any valuables to class, it is strongly recommended that they be locked up during class. Locker rooms are available in the PE building.

Academic Conduct & Support Systems

Academic Integrity

The University of Southern California is a learning community committed to developing successful scholars and researchers dedicated to the pursuit of knowledge and the dissemination of ideas. Academic misconduct, which includes any act of dishonesty in the production or submission of academic work, comprises the integrity of the person who commits the act and can impugn the perceived integrity of the entire university community. It stands in opposition to the university's mission to research, educate, and contribute productively to our community and the world.

All students are expected to submit assignments that represent their own original work, and that have been prepared specifically for the course or section for which they have been submitted. You may not submit work written by others or "recycle" work prepared for other courses without obtaining written permission from the instructor(s).

Other violations of academic integrity include, but are not limited to, cheating, plagiarism, fabrication (e.g., falsifying data), collusion, knowingly assisting others in acts of academic dishonesty, and any act that gains or is intended to gain an unfair academic advantage.

The impact of academic dishonesty is far-reaching and is considered a serious offense against the university. All incidences of academic misconduct will be reported to the Office of Academic Integrity and could result in outcomes such as failure on the assignment, failure in the course, suspension, or even expulsion from the university.

For more information about academic integrity see [the student handbook](#) or the [Office of Academic Integrity's website](#), and university policies on [Research and Scholarship Misconduct](#).

Please ask your instructor if you are unsure what constitutes unauthorized assistance on an exam or assignment, or what information requires citation and/or attribution.

Student & Disability Accommodations

USC welcomes students with disabilities into all of the University's educational programs. The Office of Student Accessibility Services (OSAS) is responsible for the determination of appropriate accommodations for students who encounter disability-related barriers. Once a student has completed the OSAS process (registration, initial appointment, and submitted documentation) and accommodations are determined to be reasonable and appropriate, a Letter of Accommodation (LOA) will be available to generate for each course. The LOA must be given to each course instructor by the student and followed up with a discussion. This should be done as early in the semester as possible as accommodations are not retroactive. More information can be found at osas.usc.edu. You may contact OSAS at (213) 740-0776 or via email at osasfrontdesk@usc.edu

Support Systems

Counseling and Mental Health

(213) 740-9355 – 24/7 on call

Free and confidential mental health treatment for students, including short-term psychotherapy, group counseling, stress fitness workshops, and crisis intervention.

988 Suicide and Crisis Lifeline
