Physical Education & Mind Body Health (PEMBH) Mission

Physical Education & Mind Body Health (PEMBH) provides a variety of opportunities for students to improve their general health and fitness through fitness related and recreational activities classes. Courses are designed to introduce students to various aspects of health and physical education principles. With this exposure, knowledge, and skill, students are better equipped to make choices regarding a healthy and active lifestyle. All classes stress the importance of exercise and leisure time activity to physical, mental, and social well-being.

Course Description

Yoga Therapy is an approach to wellness that carefully selects postures, breathing techniques, meditation, and other practices of Yoga and applies them to achieve specific goals—ultimately in service of finding more balance. It is more personalized than a normal group class, and may be utilized as a means of prevention and/or adjunct treatment of different health conditions, particularly stress-related health conditions, or simply as a means of improving overall health and quality of life.

Prerequisite(s): none

Co-requisite(s): none

Course Learning Objectives

- Recognize Yoga Therapy as a healing discipline that takes into account each individual's unique needs.
- Identify specific benefits of postures, breathwork, mantra, and meditation, and apply them as means of holistically improving mental and physical health.
- Understand basic anatomy, biomechanical principles, and Yoga terminology.
- Demonstrate an understanding of how Yoga Therapy can be used in the prevention and/or treatment of stress-related illnesses.
- Develop and implement a home Yoga Therapy practice.

PEMBH Program Objectives

Students will understand the importance of sound health and fitness principles as they relate to better health and will be able to:

- Understand anatomy, basic bio mechanical principles, and terminology.
- Determine training strategies.

Students will be exposed to a variety of activities providing them the opportunity to:

- Apply learned fundamental skills.
- Utilize physical activity as a tool to manage stress.

Students will demonstrate proficiency through knowledge and acquired skills enabling them to understand and utilize various training methods.

Course Textbooks

TBA

Equipment

Students must bring their own yoga mat. Appropriate workout attire is required, and water is recommended. Additional props will be provided in class: straps, blankets, bolsters, and blocks.

If props are used during class, please neatly return them to storage cabinets. If blocks are used—please clean them with an antibacterial wipe. Lockers are available to rent from PED 107 (\$20 for entire semester) for storage of your yoga mat.

Evaluation Criteria

1.) In-Class Participation (70 points)

In-class participation is required and is a large component of your final grade. If you are present, you receive participation credit. If you are absent, you do not receive participation credit. Live-streaming class is not available. You are not permitted to make-up absences in another instructor's section.

Tardiness and/or leaving early disrupts everyone's Yoga practice. If you are late or leave early, you will only receive partial credit for the class. If you are using or viewing cell phone notifications during class, you are not fully present :) and will only receive partial credit for the class.

What is an excused absence?

- Respiratory illness
- Illness or injury with a doctor's note
- Travel for a class or athletics, with a note from the USC supervisor and at least 24 hours notice

Non-excused absences: Rain, personal travel, sore muscles, oversleeping, stubbed toes, on your period.

2.) Meditation Journals (5 points each)

Students will be assigned three guided different meditation techniques to try at home, and write a reflection about each.

3.) Final Project (40 points total)

Students will be expected to create a Yoga Therapy Plan for a mock student. This project is intended to encourage each student to apply information provided throughout the semester. This assignment is divided into the following parts:

- **Dosha**
- **Annamaya Kosha**
- **Pranamaya Kosha**
- **Manomaya Kosha**
- **Presentation (10 points)** submitted as an individual.

3.) Midterm & Final Exams

Exams are all multiple choice questions, and match.

Grades

Cognitive	50%	100 pts.	Psychomotor	50%	100 pts.
Midterm	12.5%	25 pts.	In-Class Participation	35%	70 pts.
Final Exam	25%	50 pts.	Meditation Journals (3)	7.5%	15 pts.
Final Project	20%	40 pts.			
<u>200 Total Points</u>					

Plus and minus grades will be issued accordingly for each letter grade based on grade percentage.

A = 95%-100% A- = 90%-94% B+ = 87%-89% B = 83%-86% B- = 80%-82%
C+ = 77%-79% C = 73%-76% C- = 70%-72% D+ = 67%-69% D = 63%-66%
D- = 60%-62% F = 59% and below

Failure to complete any exam, or failure to complete your HYP Presentation with your assigned group, results in auto-deduction of at least one letter grade from final grade.

Assignments must be submitted on Blackboard, including any presentation materials.

Email submissions are not accepted for any assignment.

Communication

- **In-person**: I encourage reaching out with questions, comments, or concerns before/after class!
- **Zoom Office Hours**: See top of syllabus for availability; schedule at calendly.com/guinter-1/2023
- **Email**: For all other email messages, please put your Yoga Therapy Section # in the subject line.

I am truly always happy to talk—especially in-person! Yoga Therapy is intended to be personalized, and I am here to help you do that. However, teaching physical education classes requires lots of physical presence; thus I am not able to view/respond immediately to emails. It may take 48 hours.

Guidelines for Practice & Class Policies:

- Arrive to class on time. Bring your yoga mat.
- Wear athletic clothing that allows freedom of movement. No socks; we practice yoga barefoot.
- Avoid practicing yoga on a full stomach. Wait two hours after a meal or one hour after a snack.
- **Cell phones must be silenced and out of sight during class.**
 - *You will receive half credit on participation if viewing or using a cell phone during yoga*
- Refrain from talking during practice, unless asked to do so.
- No candy or chewing gum during practice.
- Prior reading of assigned material is expected; refer to Blackboard for updates & announcements.
- **Notify your instructor of any existing injuries, health problems, and medical conditions – including pregnancy - on the first class meeting. If you develop any new injuries, health problems, and medical conditions and/or become pregnant during the semester, you must inform your instructor. This will be kept STRICTLY confidential.**

Academic Conduct

Plagiarism – presenting someone else’s ideas as your own, either verbatim or recast in your own words – is a serious academic offense with serious consequences. Please familiarize yourself with the discussion of plagiarism in *SCampus* in Part B, Section 11, “Behavior Violating University Standards” policy.usc.edu/scampus-part-b. Other forms of academic dishonesty are equally unacceptable. See additional information in *SCampus* and university policies on scientific misconduct, <http://policy.usc.edu/scientific-misconduct>.

Student & Disability Accommodations

USC welcomes students with disabilities into all of the University’s educational programs. The Office of Student Accessibility Services (OSAS) is responsible for the determination of accommodations for students. Once a student has completed the OSAS process (registration, initial appointment, and submitted documentation) and accommodations are determined, a Letter of Accommodation (LOA) will be available. The LOA must be given to course instructor by the student as early as possible. Accommodations are not retroactive. More at osas.usc.edu. (213) 740-0776 or osasfrontdesk@usc.edu.
